Join Emily Sparkes for laugh-out-loud observations about life, parents and how to handle the grossest boys in the universe! Perfect for fans of Cathy Cassidy and Dork Diaries. The first Emily book has been shortlisted for the Scholastic Laugh Out Loud Book Award (The Lollies). 'Lots of fun and a really cool read!' - Cathy Cassidy Unfortunately for Emily Sparkes, life has a way of humiliating her at every turn. Normally through the medium of her mother. But now, probably because he felt left out, her dad has decided to be the ULTIMATE embarrassment. Discovering his old record collection in the attic, he somehow gets the idea that he'd make a great DJ, and volunteers his services for the school disco. He even thinks he might have a go at rapping for everyone's entertainment. Emily has two options: 1) Go and live in an igloo in the Arctic where nobody can find her 2) Raise enough money at the school fete to pay for a real DJ instead Neither is straightforward. But with Chloe Clarke and Zuzanna to help, surely nothing can go wrong?

"In February 1934, a financial emergency created by the Great Depression forced the suspension of self-government in Newfoundland. Britain guaranteed Newfoundland's debt and appointed a Commission of Government. Among the first members named to the new government was Sir John Hope Simpson, whose portfolio included responsibility for fishing, forestry, mining, and agriculture. This book is a selection from the many letters written from Newfoundland to family members in England by Sir John and Lady Hope Simpson (familarly known as Quita). It recalls in vivid detail the terrible decade of the 1930s. The reader relives the era through the eyes of a couple who had a unique and informed perspective on events in Newfoundland and Labrador." "Sir John Hope Simpson was a man of wide international experience and exceptional administrative ability. His correspondence is candid and direct - that of an insider. Quita's letters reveal a perceptive and inquisitive nature and a pervading social concern. Both write about their progressive, even utopian, ideas. They travelled extensively in the country, met a wide range of people, and recorded their experiences in letters that capture the essence of the time." "Peter Neary's edition is based on the collection of Hope Simpson papers at Balliol College, Oxford. His selection from the Newfoundland correspondence is complemented in the book by maps and photographs. Neary's introduction lays the groundwork for an understanding of the letters and the milieu of the Hope Simpsons."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. For young Mark, the world has turned as bleak and gray as the Brighton winter. Separated from his real father and home in London, he's come to live with his mother and her new husband in an old house near the sea. He spends his days alone, trying to master the skateboard, while other boys his age are in school. He hates the unwanted stepfather who barged into Mark's life to rob him of joy. Worst of all, his once-vibrant mother has grown listless and weary, no longer interested in anything beyond her sitting room. But on a damp and chilly evening, an accident carries Mark into the basement flat of the old woman who lives at the bottom of his stepfather's house. She offers tea, cakes, and sympathy . . . and the key to a secret, bygone world. Mark becomes caught up in the frenetic bustle of the human machinery that once ran a home, and drawn ever deeper into a lost realm of spirits and memory. Here below the suffocating truths, beneath the pain and unhappiness, he finds an escape, and quite possibly a way to change everything. A richly evocative, poignantly beautiful modern-day ghost story, The Servants marks the triumphant return of Michael Marshall Smith—the first novel in a decade from the multiple award-winning author of Spares.
