The Workbook provides additional grammar, vocabulary and pronunciation practice and extends reading, listening and writing skills.

Speakout is a comprehensive English course that helps adult learners gain confidence in all skills areas using authentic materials from the BBC. With its wide range of support material, it meets the diverse needs of learners in a variety of teaching situations and helps bridge the gap between the classroom and the real world.

Speak Out is a primer for beginning and intermediate students participating in class and contest debates. It offers students clear, concise information on public speaking and debating. Combining the practical and theoretical, the text teaches students about verbal and nonverbal communication, how to research and present an argument, how to answer arguments, how to develop debate strategies and how to conduct a formal debate.

The course for teachers who want to get their students communicating with confidence. face2face is an easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. The Workbook with Key offers additional consolidation activities and a Reading and Writing Portfolio for extra skills practice.

Are you looking for a fun way to help your kids learn how to write letters and numbers ?. Then you are in the right place! This Tracing Letters and Numbers is a fun practice letters and numbers workbook to help you teach your child to write. Handwriting tracing and the identification of numbers and letters are foundational skills that form the basis of your child's academic future. This Tracing Letters and Numbers book enables your child to learn the basics of handwriting with a structured and fun approach to letters and numbers. Preschool children need to develop pencil control skills and fine motor skills, colouring and tracing letters and numbers is one way of doing this. This preschool workbook will encourage them to practice and develop their handwriting skills and help them progressively develop confidence in themselves. Accurate information about our tracing letters and numbers workbook This tracing workbook has 100 activity pages for kids ages 3-5 but also great for kindergarten and 1st grade. The book is divided into the two sections, letters and numbers. 26 Alphabets A to Z with 26 fun animals pictures for coloring. Numbers 0-9 : To understanding general numbers sense , your child starts counting picture elements. 3 pages of exercise for each letter of the alphabet and 2 pages for each number! Children can choose to trace upper-case letters, lower case letters or numbers. Four forms of letters are clear and dashed. A guide will appear before each stroke to show where lines should start and stop. A coloring section at the beginning of each alphabet and number to encourage and engage children as they build skills for pen control progressively. Lots of space for free practice. Lovely designs. Educational author & Expert This Tracing Letters and Numbers book for preschool has been designed by specialist subject teacher in elementary school. Parents can help to homeschooling their child through this homeschool kindergarten workbook and provide the necessary support and should keep a special eye on the correct pen position and hand guidance, and encourage your child to speak out loud. Your child will develop the fine motor control needed for preschool while also learning to recognize each number and letter and it's sound! As your child's greatest teacher and role model, it's vital that you get involved in their schooling. The positive communication between parents and teachers and quality of parents' home involvement with their children's learning helps improve academic performance. So what do you think of our book? We would be very grateful if you could leave us a review. Buy today to help your child and let your child take their first steps confidently to learn to write early.

"The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on 'real world' language for social situations. The listening and reading material provides fresh new angles on universal topics and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalised. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students regular opportunities to evaluate their progress." - product description.
