The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Based on tests conducted by Consumers Union, this guide rates new cars based on performance, handling, comfort, convenience, reliability, and fuel economy, and includes advice on options and safety statistics.

Steve Larson e Elizabeth Coleman tinham sido melhores amigos - inseparáveis - desde a época da escola. Quando foram para a faculdade, eles descobriram que se amavam, mas tiveram medo de admitir: Steve porque pensou que Elizabeth era bonita demais para querer ficar com ele; e Elizabeth porque sabendo que Steve era muito rico achou que ele não ia se interessar por alguém tão pobre quanto ela. Mas então, uma tragédia familiar os separou, e eles perderam contato um com o outro. Vinte anos mais tarde, uma nova oportunidade surgiu num estacionamento onde estavam sendo vendidas árvores de Natal e mudando o destino dos dois para sempre. Somente Steve e Elizabeth podem decidir se eles têm a coragem para superar uma vida de dúvidas e de medos e para abrir seus corações e se amarem de novo.

Car values fluctuate wildly, never more so than in our current economic environment. Pricing information is a must for collectors, restorers, buyers, sellers, insurance agents and a myriad of others who rely on reliable authoritative data. With well over 300,000 listings for domestic cars and light trucks, and various import vehicles manufactured between 1901 and 2012, this is the most thorough price guide on the market. This invaluable reference is for the serious car collector as well as anyone who wants to know the value of a collector car they are looking to buy or sell. Prices in this must-have reference reflect the latest values, in up to six grades of condition, from the esteemed Old Cars Price Guide database. New information for the most recent model year will also be added to our new Old Car Report database.

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.
