Revised and expanded edition of Susan Branch's first illustrated cookbook published in 1986.

Handwritten and watercolored by Susan Branch in her unique and charming style, this bestselling cook book celebrates the wonderfulness of AUTUMN, with delicious easy-to-make family recipe favorites such as Cinnamon Ice Cream, Touchdown Chili, Corn Pudding, and Pumpkin Cheesecake. You'll feel the leaves falling across the pages as Susan shares her special insights and stories for Entertaining, Decorating, Halloween, Thanksgiving, Afternoon Tea, and much more. As one reader said, "Put on your coziest sweater, make yourself a cup of tea and dive into the creative world of Susan Branch."

A Fine Romance - Falling in Love with the English Countryside is travel writing at its best by New York Times best-selling author Susan Branch. This charming book is part love story, part travel guide - a hand-written and watercolored diary/journal of Branch's six-day transatlantic crossing on board the Queen Mary 2 and two-month ramble over the backroads of rural England. There are over three hundred photos, countless watercolor illustrations, wonderful quotes, recipes, a book list, a movie list, hand-drawn maps and much more. Travel with Susan as she makes her way around hedgerows and through wildflower meadows to visit the homes and gardens of her literary and artistic heroes, including Beatrix Potter and Jane Austen. It's a travel guide that will help you plan a trip of your own, lovely for the armchair traveler because Susan really does take you there, and perfect for all Downton Abbey anglophiles. When you are finished, go to Susan's website where there is an interactive Appendix to the book .... you can experience driving across the Dales with Susan's own

videos and find links to everything she writes about, the cottages and gardens you will want to see yourself. A Fine Romance is book three of Susan Branch's autobiographical trilogy. First in order is *The Fairy Tale Girl*, followed by *Martha's Vineyard - Isle of Dreams*, and finally *A Fine Romance - Falling in Love with the English Countryside*. All three are hand-lettered, watercolored, filled with photos, recipes and quotes and, as Susan says, "as much magic as I could possibly stuff between the covers." Bon Voyage!

Based on the diaries Susan has kept since she was in her 20s, *The Fairy Tale Girl* is book one of a two part series. Together the books are an illustrated memoir, charmingly designed in Susan's style with her whimsical watercolors and personal photographs. It's an enchanting story of love and loss, mystery and magic that begins in a geranium-colored house in California, and ends up, like any good fairy tale, on the right side of the rabbit hole, in a small cottage in the woods on the New England Island of Martha's Vineyard. *The Fairy Tale Girl* humorously explores Susan's journey as an artist and as a girl/woman, from the 1950s through the 1980s. In the first book of the series we get a revealing view of Susan's early life as the oldest of eight children and the marriage she imagined would be forever; it's filled with inspiration, romance and discovery, and a leap into the unknown.

A hand-lettered, hand-painted book of everything related to summer has a hundred summer recipes--including Blueberry Bread Pudding and Barbecued Bourbon Chicken--and features picnics, parties, gardening advice, herbal cooking, home remedies, and anecdotes. 100,000 first printing. Tour.

A treasury of the author's watercolor paintings, quotations,

personal anecdotes, and celebratory ideas is presented in a weekly appointment journal that offers additional space to record important events.

Susan Branch's inimitable whimsy and charm have won her a large and loyal following across America -- and made her previous gift books and cookbooks perennial bestsellers. This Keepsake Book features recipes and paintings for Valentine's Day -- or any day that love is in the air. Ribbon marker.

"In the winter of 1982, long before she became the watercolor artist and author we know today, Susan Branch, 34-years-old and heartbroken from the sudden and unexpected end of her marriage in California, "ran away from home" to the Island of Martha's Vineyard hoping to gain perspective. It was meant to be temporary, a three-month time-out from the daily grind of being broken up and miserable, but within days of her arrival, alone and not quite in her right mind, Susan "accidentally" bought a tiny one-bedroom cottage in the woods - which is how she discovered she was moving 3,000 miles away from everyone and everything she had known and loved. Funny, observant, touching, and addictive (you are not going to want this book to end), based on the diaries she has kept all her life, Susan Branch relates her inspirational tale of lost love and self discovery, her search for roots, purpose, and destiny with laugh-out-loud honesty. A road map for overcoming loss, following your heart, and making dreams come true, charmingly hand-lettered and watercolored in Susan's inimitable style, there are diary excerpts, recipes, and hundreds of photographs."--Provided by Amazon.com.

"With a broken marriage and two children, a southern
