Success is your birthright. Progress is your natural way of being. Expansion is how you were designed. If life has beaten you down and you, like me, have some inner demons, this book will help you slay the Dragons of Sabotage and get on with creating your best life. When you can identify and slay the 5 Dragons of Self-Sabotage, you release an inner power that will excite and delight you. There is harmony within. You feel a divine guidance over your life. You have a profound sense of clarity and just know what to do to achieve your goals. My intention with this message is to teach you a simple, yet profound process to break through self-sabotage. Through the disciplines of psychology, neurology, and theology, you'll learn how to: Re-create your Self-View and discover new levels of confidence and contributionTransform your circumstances into the driving force that fuels youBreak through fear of failure and success to become a blessing to others Create clarity to stop procrastination and make you unstoppableRelease control and tap into unrealized and unlimited potentialManage your emotions and learn how to discipline your thoughts. Experiencing the life you really want is that simple. But make no mistake; it isn't easy. You'll work harder on yourself than you ever have. You've got to be willing to do the inner work to BECOME what you want before you can experience it. Through this process, you will become a Dragon Slayer.

THE #1 NEW YORK TIMES BESTSELLER Millions of readers literally defined their lives through Gail Sheehy's landmark bestseller Passages. Seven years ago she set out to write a sequel, but instead she discovered a historic revolution in the adult life cycle. . . People are taking longer to grow up and much longer to die. A fifty-year-old woman--who remains free of cancer and heart disease-- can expect to see her ninety-second birthday. Men, too, can expect a dramatically lengthened life span. The old demarcations and descriptions of adulthood--beginning at twenty-one and ending at sixty-five--are hopelessly out of date. In New Passages, Gail Sheehy discovers and maps out a completely new frontier--a Second Adulthood in middle life. "Stop and recalculate," Sheehy writes. "Imagine the day you turn forty-five as the infancy of another life." Instead of declining, men and women who embrace a Second Adulthood are progressing through entirely new passages into lives of deeper meaning, renewed playfulness, and creativity--beyond both male and female menopause. Through hundreds of personal and group interviews, national surveys of professionals and working-class people, and fresh findings extracted from fifty years of U.S. Census reports, Sheehy vividly dramatizes these newly developing stages. Combining the scholar's ability to synthesize data with the novelist's gift for storytelling, she allows us to make sense of our own lives by understanding others like us. New Passages tells us we have the ability to customize our own life cycle. This groundbreaking work is certain to awaken and permanently alter the way we think about ourselves. "SHEEHY CLEARLY STATES IDEAS ABOUT LIFE THAT HAVE NEVER BEFORE BEEN AS CLEARLY STATED." --Los Angeles Times Book Review "AN OPTIMISTIC ANALYSIS OF ADULT DEVELOPMENT IN PESSIMISTIC TIMES. . . It is grounded in the economic and psychological realities that make adult life so complex today." --The New York Times Book Review

Yoshie Shiratori, The Grand Jailbreaker Heart-touching Story of a Japanese Jailbreak Expert History is replete with stories of human survival. It is the cauldron of real life stories that abound in characters, both male and female, who have grabbed themselves from the teeth of insurmountable odds and flown to a free and happy life. Then, what sets Yoshie Shiratori, the Prison Break King, apart from the multitude of people who have done extraordinary feats in life? Shiratori is a young and carefree Japanese boy in his 20s leading a boisterous life, committing petty crime for survival until one fine day he is suddenly incriminated for the death of a man in a street scuffle. He is imprisoned and faces brutal abuse at the hands of prison guards. He plots an escape and turns his full attention to the secret mission of jail break. But was it even possible, given that the prisons in Japan are extremely fortified? But Shiratori was no ordinary man; he has some stunts up his sleeve to overcome the harsh realities prison life presents him with. This book tells the enduring story of a young man who in his desperate attempt to be free and reunited with his wife and only daughter, breaks all limits of human strength and tolerance that an entire nation stands agog in amazement. How will Shiratori break free from the prisons that are deemed to be "unbreakable"? Will he be captured for attempting to escape? How will the Japanese government deal with the national embarrassment Shiratori brings them, with his jail break escapades? Will he ever see his daughter and wife again, alive? Find answers to these riddling questions, sate your love for adventurous stories, and find your new hero in this book that quietly captures the sad life of a young Shiratori, in its pages.

"A man will be imprisoned in a room with a door that is unlocked and opens inward; as long as it does not occur to him to pull rather than to push." --Ludwig Wittgenstein In Taking a Stand, Matt Scheppe presents us with a basic choice in the form of a metaphor--imprisonment or freedom. Chapter after chapter, he shows us the "prison of the mind," what happens when we "plead guilty," the ways in which we "sentence" ourselves to a small life, and what we can do to experience a "jailbreak." Matt is calling us to live an incredible life. "Are you alive?" he asks. Or are you on death row? "The possibility for an incredible life exists. Will you choose it?" asks Matt. --Excerpt from the Foreword by Robert Holden, PhD.

The second book in this graphic nonfiction series about real FBI cases is a gripping account of an escape from Alcatraz, the infamous island prison. CASE NO. 002: THE ROCK June 12, 1962 SAN FRANCISCO BAY, CALIFORNIA 7:18 A.M. A corrections officer at Alcatraz Federal Penitentiary tries to awaken inmate AZ-1441, Frank Morris. But when he shakes the unresponsive man, his head rolls off the pillow and crashes to the floor! Soon the guards realize that Morris and two other inmates, brothers John and Clarence Anglin, had done the seemingly impossible: escaped from the notorious island prison. This is the incredible true story of the daring and inventive escape and a decades-long manhunt in a case that remains unsolved to this day. Comics panels, reproductions of documents from real FBI files, and photos from the investigation combine for a thrilling read for sleuths of all ages. This entry in the Unsolved Case Files series is just as compelling as the first book, Unsolved Case Files: Escape at 10,000 Feet, which Kirkus praised as "compulsively readable."

A wild, Jodorowsky-style graphic novel from Moldy Peaches cofounder Adam Green In War and Paradise, a graphic novel by creative polymath and Moldy Peaches founder Adam Green (born 1981), the internet meets the Middle Ages and satire becomes the most logical response to our own wildly confusing, nonsensical world. A spiritual sequel to the 2016 cult film Adam Green's Aladdin, the story follows our hero Pausanias, a geographer of the soul, alongside a cast of unconventional characters through a kaleidoscopic landscape of absurdism, illustrated in full color by musician Toby Goodshank, animator Tom Bayne and Green himself. Released concurrently with Green's tenth album Engine of Paradise, this book cuts social commentary with laughter and imagination, all reflected through the artist-musician's characteristically quirky style.
