Designed to support student secondary school teachers through the school-based element of their initial training courses, this new edition of a best-selling text includes reworked tasks for individual use and revised sections on growth and development, moral development and values, special educational needs and assessment. There is also a new chapter on ICT. Units include: "the student teacher's role "planning lessons and schemes of work "motivating pupils "teaching and learning styles "assessment and recording "working as part of a team. With general updating throughout in the light of developments in legislation, the book will continue to be the standard for secondary teachers in training.

Delivering complete coverage of the theory underpinning the 2004 NVQ and Technical Certificate, this work provides the key plumbing knowledge students, tutors and tradespeople require. It also features a full-colour illustrated and photographic approach to basic plumbing principles, presenting information in various formats to enhance learning.

Introduction to Health and Safety at Work covers the fundamentals of occupational safety and closely follows the NEBOSH National General Certificate syllabus which was updated in 2019 and came into use in 2020. Highly illustrated and over 600 pages in length, it covers all of the essential elements of health and safety management, the legal framework, risk assessment and control standards and also includes checklists, report forms and record sheets to supplement learning. It also has an extensive summary of current health and safety legislation. • Aligned to the NEBOSH National General Certificate in Occupational Health and Safety • Practice questions and answers to test knowledge and increase understanding In addition to helping students study for the NGC, it is used for reference and revision on other Health and Safety qualifications at level 3 and above, including the Nebosh Diploma. It is also a source of reference and guidance for health and safety practitioners in the workplace.

As part of their everyday work bricklayers must be able to interpret technical documents, understand the properties of various mortars/building materials, and understand the basics of health and safety on site. Brickwork Level 3 has been adapted from John Hodge ' s classic Brickwork for Apprentices - the established textbook on brickwork for generations of bricklayers. Now in full colour, this new book has been tailored to match Level 3 of both the Construction Alliance Awards Diplomas in Bricklaying and the Trowel Occupations NVQs. Written by Malcolm Thorpe, who acted as a CITB adviser and was involved in the draughting of the Intermediate Construction Award syllabus (bricklaying route), Brickwork Level 3 matches the latest industry-based requirements and technical developments in the field, including recent changes to the Building Regulations. This text will remain an essential reference for qualified bricklayers and other professionals working in the construction industry, as well as NVQ students wishing to embark on a career in bricklaying.

The only EAL approved textbook for the Level 3 Diploma in Electrical Installation (600/9331/6) Fully up-to-date with the 3rd Amendment of the 17th Edition IET Wiring Regulations Expert advice that has been written in collaboration with EAL to ensure that it covers what learners need to know in order to pass their exams Extensive online material to help both learners and lecturers.
