Hi, I have a 96 toyota camry le 2.2l. I recently replace the cylinder head. I took the old one to a machine shop and the sold me a new used one. I put it in and now it does not want to start. I checked and double checked the timing and it is all good. Then it would start but die in about 2 sec. It gave me codes p0300-p0304 so I replaced the

Evaluates the latest models of American and imported cars, discussing strong and weak points of each model, fuel economy, cargo space, and more

Provides guidance in choosing and purchasing used vehicles from 1990 to the present, recommends a variety of models, and includes information on recalls, price ranges, and specifications.

Read Free 96 Camry 2.2 Head Gasket Repair A Diy

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

A complete guide to used cars, vans, and trucks includes profiles of more than two hundred car models sold over the past decade, along with information on specifications, service history, safety records, recalls, and prices, and tips on choosing the right car. Original.

A drug lord's prison transfer to Mexico upsets a precarious balance of peace and forcing a DEA agent to come out of retirement to stop the ensuing violence.

Rejected by his wife Alice, day trader and suburban father Jack Smith jumps at the chance to manage a yuppie condominium in Seattle, light-years from the burbs. A mlange of colorful characters welcomes him and fortune smiles with an unanticipated promise of a rebound romance. Suddenly it all comes unraveled with the first in a series of murders, creating fear and suspicion. Bombastic brainstorming sessions, full of innuendo based less on evidence than clashing personalities, follow. Who will be next? Wild speculations become absurd with each new killing. Clearly this close-knit group is in someone's crosshairs. Is the perp mad or cunning? Is there something one or all of them did to set him or her off? Pondering this question Jack is tormented with guilt over the first murder. On the edge of sanity he contemplates flight-or would Alice, grown distant in her new life, take him back? What about the safety of his family if some nut has it in for him? What price must these yuppie homeowners pay before the killer is caught? Or ! Will this one simply go away like some serial killers from the past? Not likely!
