A Flicker of Steel isn't a bad book. I'd even say it's a good book, though I'm torn between 3 and 4 stars. But it just has too much going against it when compared to the rest of the series. First, the characters. I just didn't really connect with them.

A Flicker of Steel Once again an outstanding book, beautifully written and with a wonderful narrator. Thank you Mr. McHugh I adore your characters, Remy I may be a little (perversely) in love with! Leah has matured into a real kickass female in a book full of kickass females.

A Flicker of Steel Audiobook | Steve McHugh | Audible.co.uk

Corroded steel rails effortlessly slice through the impressive rolling mountains, as miles of hopper cars loaded with black gold seemingly hover above glimmering silver as the sun strikes upon the exposed steel rails. Ragged and tired wooden railroad ties, remain brown as the foul water which flows beneath endless looming trestles.

Avalon stands revealed, but the war is far from over. For Layla Cassidy, it has only just begun. Thrust into a new world full of magic and monsters, Layla has finally come to terms with her supernatural powers--and left her old life behind. But her enemies are relentless. Sixteen months after her life changed forever, Layla and her team are besieged during a rescue attempt gone awry and must fight their way through to freedom. It turns out that Avalon has only grown since their last encounter, adding fresh villains to its horde. Meanwhile, revelations abound as Layla confronts twists and betrayals in her own life, with each new detail adding to the shadow that looms over her. As Layla fights against the forces of evil, her powers begin to increase--and she discovers more about the darkness that lies in her past. As this same darkness threatens her future, will she be ready to fight for everything she holds dear?

From Steve McHugh, the bestselling author of The Hellequin Chronicles, comes a new urban fantasy series packed with mystery, action, and, above all, magic. Layla Cassidy has always wanted a normal life, and the chance to put her father's brutal legacy behind her. And in her final year of university she's finally found it. Or so she thinks. But when Layla accidentally activates an ancient scroll, she is bestowed with an incredible, inhuman power. She plunges into a dangerous new world, full of mythical creatures and menace--all while a group of fanatics will stop at nothing to turn her abilities to their cause. To protect those she loves most, Layla must take control of her new powers...before they destroy her. All is not yet lost--there is a light shining, but Layla must survive long enough to see it.

He doesn't need a weapon. He is the weapon. After losing his powers in an epic battle between good and evil, former sorcerer Nate Garrett finds himself living as a humble human in Clockwork, Oregon. While the world thinks Nate is dead, his friends continue to fight against Avalon and the evil it's intent on spreading. Avalon's forces turn up in Clockwork, and Nate's frustration grows with every passing day his magic doesn't return. He finds himself trying to stop Avalon's plans while hiding from enemies who would destroy everything in their path to see him dead. Avalon's darkness begins to threaten the people Nate cares about, and an old nemesis returns; magic or no magic, he has no choice but to fight. But will Nate see his magical powers reborn before the entire town--and everyone he loves--is destroyed?

It's a dark day for the earth realms. Will it be the last? Sorcerer Nate Garrett lost much in the battle that devastated Asgard, but the war against darkness is far from over. He's spent a year searching for Arthur, hell-bent on stopping the evil leader of Avalon and rescuing his friend Tommy from his clutches. Nate's investigation brings him to Washington, DC, where he finds the city under siege. Just when all hope seems lost, Layla Cassidy and her team arrive to join the fight, but Avalon's deadly plan to conquer the earth realm is underway. Meanwhile, Mordred is on a quest to find allies in the upcoming war against Avalon, hoping to find Arthur and stop him before it's too late. As the rebellion forces close in on Arthur, each of them know

this could be their last fight. But with Arthur massing an unstoppable army of his own, will Nate's fury be enough to defeat him once and for all?

There's thunder on the horizon, and the lightning of war is about to strike. After years of struggle, Layla Cassidy has finally mastered the dark powers that threatened to control her and turned them to good. She's ready to fight, but the next battle will be her greatest test yet. The forces of Avalon are growing ever stronger, reinforcing their dominance with almighty displays of brutality. When Abaddon comes close to crushing Layla and her friends, it's clear that the thunder of war is about to give way to lightning--and that they have no chance of surviving it alone. The final battle against Abaddon is drawing closer. Now Layla and her friends must fight for themselves--and the future of the world. To win, they will need every power and ally they can muster. But even with all their strength, will it be enough to stand against the impending doom?

In Danielle Steel's beloved #1 New York Times bestselling novel, two strangers meet unexpectedly and fall in love in the City of Light. As president of a major pharmaceutical empire, Peter Haskell has everything: power, position, and a family that means everything to him. Compromise has been key in Peter Haskell's life, and integrity is the base on which he lives. Olivia Thatcher is the wife of a famous senator. She has given to her husband's ambition and career until her soul is bone-dry. She is trapped in a web of duty and obligation, married to a man she once loved and no longer even knows. Accidentally, they meet in Paris. Their totally different lives converge for one magical moment in the Place Vendôme, as Olivia carefully, silently, steps out of her life and walks away. Peter follows her, and in a café in Montmartre, their hearts are laid bare. Peter, once so certain of his path, is suddenly faced with a professional future in jeopardy. Olivia is no longer sure of anything except that she can't go on anymore. Five days in Paris is all they have. They go back to their separate lives, but nothing is the same. Everything they believe is put on the line, until they each realize they must stand fast against compromise and face life's challenges head-on. Danielle Steel's classic novel is about honor and commitment, love and integrity—and the strength to find hope again. Five Days in Paris will change your life forever. BONUS: This edition contains an excerpt from Danielle Steel's Hotel Vendome.

With the quiet precision of Jane Smiley's *A Thousand Acres* and the technical clarity of Mary Roach's *Stiff*, this is a novel about a young woman who comes most alive while working in her father's mortuary in a small, forgotten Western town. "The dead come to me vulnerable, sharing their stories and secrets . . ." Mary Crampton has spent all of her thirty years in Petroleum, a small Western town once supported by a powerful grain company. Living at home, she works as the embalmer in her father's mortuary: an unlikely job that has long marked her as an outsider. Yet, to Mary there is a satisfying art to positioning and styling each body to capture the essence of a subject's life. Though some townsfolk pretend that the community is thriving, the truth is that Petroleum is crumbling away—a process that began twenty years ago when an accident in the grain elevator killed a beloved high school athlete. The mill closed for good, the train no longer stopped in town, and Robert Golden, the victim's younger brother, was widely blamed for the tragedy and shipped off to live elsewhere. Now, out of the blue, Robert has returned to care for his terminally ill mother. After Mary—reserved, introspective, and deeply lonely—strikes up an unlikely friendship with him, shocking the locals, she finally begins to consider what might happen if she dared to leave Petroleum. Set in America's heartland, *The Flicker of Old Dreams* explores themes of resilience, redemption, and loyalty in prose as lyrical as it is powerful.

In her 37th bestselling novel, Danielle Steel tells the compelling story of a woman who must struggle to overcome a shattering betrayal, and the cruelest kind of malice. At seventeen, the night of her mother's funeral, Grace Adams is attacked. It is not the first time, and a brutal crime ensues. And to everyone's horror, Grace will not tell the truth. She is a young woman with secrets too horrible to tell, with hurts so deep they may never heal. She is also beautiful enough for men to want her no matter how much she does not want them. Whatever the outcome, Grace Adams will have to live with whatever happened during those terrible years. After a lifetime of being a victim, now she must pay the price for other people's sins. From the depths of an Illinois women's prison to a Chicago modeling agency to a challenging career in New York, Grace must carry the past with her wherever she goes. And in healing her own pain, she reaches out to battered women and children who live a nightmare she knows all too well. When Grace meets Charles Mackenzie, a New York lawyer, she has found a man who wants nothing from her-except to heal her, to hear her secrets, and to give her the family she so desperately wants. But, with happiness finally within her grasp, and precious loved ones to protect, Grace is at her most vulnerable-in danger of losing everything to a vicious tabloid press and an enemy from her past, an enemy bent on malice at all costs. With rare insight and power, Danielle Steel writes this extraordinary woman's story, portraying her struggle to triumph over malice and betrayal, and to transform a lifetime of pain into a blessing for others. Revealing both the stark reality of domestic abuse and the healing power of love, *Malice*, is more than superb fiction. It is a piece of life.

From debut author Stacy Willingham comes a masterfully done, lyrical thriller, certain to be the launch of an amazing career. *A Flicker in the Dark* is eerily compelling to the very last page. When Chloe Davis was twelve, six teenage girls went missing in her small Louisiana town. By the end of the summer, her own father had confessed to the crimes and was put away for life, leaving Chloe and the rest of her family to grapple with the truth and try to move forward while dealing with the aftermath. Now twenty years later, Chloe is a psychologist in Baton Rouge and getting ready for her wedding. While she finally has a fragile grasp on the happiness she's worked so hard to achieve, she sometimes feels as out of control of her own life as the troubled teens who are her patients. So when a local teenage girl goes missing, and then another, that terrifying summer comes crashing back. Is she paranoid, seeing parallels from her past that aren't actually there, or for the second time in her life, is Chloe about to unmask a killer?

Secrets are like pennies. Everybody's got one, even the poorest among us. For generations, the Jensens have raised their families in the small Montana town of Moose Creek, where gossip spreads faster than the wind. Yet some secrets need to be told. When twenty-one-year-old Bea discovers she's pregnant on the heels of her husband losing his job, she's forced to admit she needs help and asks her dad for a place to stay. But past resentments keep her from telling him all that's going on. Mitch Jensen is thrilled to have a full house again, though he's unimpressed with Bea's decisions: dropping out of college, marrying so young--and to an idealistic city kid, of all things. Mitch hopes to convince Bea to return to the path he's always envisioned for her, but she's changed since her mom died. And he refuses to admit how much he's changed, too, especially now that he might be losing his mother as well. Grandma June is good at spinning stories, but there's one she's never told. Now that her mind is starting to fade, her time to tell it is running out. But if she reveals the truth before her memories are gone forever, the Jensen family will never be the same. "Powner will be the next big star in Christian fiction."--Library Journal starred review
