“A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its

way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day

It's been ages since the "incident" that estranged former best friends Adam and Thomas, and Adam has long since decided he's better off, even if his own life hasn't exactly turned out as planned. Ten years after the two friends spoke their last words, Adam is working as a tutor, sleeping with the mother of a student, and spending most of his nights looking up his ex-girlfriend on Facebook. But when he receives an email from Thomas's mother begging for his help, he finds himself drawn back into his old friend's world. Thomas hasn't been doing well, and now he's disappeared while traveling in India. As Adam embarks upon a magnificently strange and unlikely journey, Ben Dolnick unspools a tale of friendship,
