In Part One of A SLOW TRAIN TO BUDAPEST, we learned about a remarkable, almost implausible coincidence. Miriam, an impregnated teenager from the Breitendorf shtetl got on the wrong train and seemed hopelessly lost, yet she miraculously found her way to the door of her brother's mother-in-law, who graciously invited her to stay until she had safely delivered.

What will happen after Miriam, a 16-year-old Jewish girl from a tiny village in the Austro-Hungarian Empire, has been impregnated by a young Pole? Her parents send her off to join her brothers in America. Along the way, however, Miriam boards the wrong train. . .

The liberal hero, Ballint, is at odds with the politics of his time; he lyrically describes the idyllic pre-industrial world of Hungarian Transylvania, later to fall into the hands of first the Nazis and then the Communists, his love for Adrienne, married to an unpleasant and dangerous lunatic, and a Proustian society helplessly bent on its own destruction.This is a novel hard to put down, a masterpiece of twentieth-century literature that deserves to be much more widely known.First published in English in the early 1990s by a small publisher, and a huge word-of-mouth success, this is the first edition in hardback, and in two rather than three volumes.

Now available in PDF format. DK Eyewitness Travel Guide: Hungary is your indispensable guide to this beautiful country. The fully updated guide includes unique cutaways, floor plans and reconstructions of the must-see sights, plus street-by-street maps of cities and towns. DK's insider travel tips and essential local information will help you discover the best of Hungary region-by-region, from local festivals and markets to day trips around the countryside. Formerly titled Traveling Europe's Trains, this is a superb guidebook to getting around Europe and Britain from Manchester to Moscow by high-speed, and scenic train, ferry, and Europabus.

"The Secret Witness" by George Gibbs. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten - or yet undiscovered gems - of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

\*New Directions paperback original (NDP 1194) --T.p. verso.

Are the recent developments in Europe bringing countries together or pulling them apart? The leading experts in this book (including Sheila Allen, Marlis Buchmann, Piotr Sztompka, and Patrick Ziltener) cover a wide range of subjects, including the move towards political democracy and market economy in Central and Eastern societies, the project of the European Union, ethnic conflict, the rise of nationalism, social exclusion and women's role in public life.

Ukraine is something of an enigma for the visitor. The largest country in Europe, it remains one of the least visited, yet it has retained the rustic beauty of old-world eastern Europe, and its place names are heavy with historical significance: Kiev, Crimea, Sevastopol, Odessa, Chernobyl. This fully updated third edition of Bradt 's Ukraine guide keeps visitors up to speed with this rapidly evolving country. Covering everything from the best places for borsch to the best walks along the Black Sea - alongside an in-depth exploration of Ukraine 's history, culture and natural beauty - this is the most comprehensive and practical guide available to a destination as yet undiscovered by the tourist crowds.

Wes Anderson on Stefan Zweig: "I had never heard of Zweig...when I just more or less by chance bought a copy of Beware of Pity. I loved this first book. I also read the The Post-Office Girl. The Grand Budapest Hotel has elements that were sort of stolen from both these books. Two characters in our story are vaguely meant to represent Zweig himself — our " Author " character, played by Tom Wilkinson, and the theoretically fictionalised version of himself, played by Jude Law. But, in fact, M. Gustave, the main character who is played by Ralph Fiennes, is modelled significantly on Zweig as well." The great Austrian writer Stefan Zweig was a master anatomist of the deceitful heart, and Beware of Pity, the only novel he published during his lifetime, uncovers the seed of selfishness within even the finest of feelings. Hofmiller, an Austro-Hungarian cavalry officer stationed at the edge of the empire, is invited to a party at the home of a rich local landowner, a world away from the dreary routine of the barracks. The surroundings are glamorous, wine flows freely, and the exhilarated young Hofmiller asks his host—s lovely daughter for a dance, only to discover that sickness has left her painfully crippled. It is a minor blunder that will destroy his life, as pity and guilt gradually implicate him in a well-meaning but tragically wrongheaded plot to restore the unhappy invalid to health.

Describes the history, features and places of interest of the Czech and Slovak Republics, including travel tips and maps.
