An alcoholics anonymous (AA) sign-in/attendance sheet is a unified form that is used to record attendance at AA meetings. Whether you are mandated to attend or simply trying to maintain good habits, this sheet is an easy way to keep all meetings logged in a single place.

Alcoholics Anonymous (AA) Sign-in/Attendance Sheet
This attendance proof at meetings is not part of A.A.' s procedure. Each group is autonomous and has the right to choose whether or not to sign court slips. In some areas the attendees report on themselves, at the request of the referring agency, and thus alleviate breaking A.A. members anonymity.

Attendance Proof—Online Group AA Meetings
The AA (Alcoholics Anonymous) Sign in Sheet will often carry a written explanation to AA representatives that the defendant or individual is required to attend AA meetings, and it will ask the group leader to sign the form attesting to the defendant’s attendance, but to only do so at the end of the meeting to ensure full participation.

Download AA (Alcoholics Anonymous) Sign-in Sheet | PDF
Our court ordered online AA meeting verification or proof of attendance is different than most others offered online and is accepted by most jurisdictions because we validate your state ID, we verify your attendance AND participation in the meetings, we verify with an e-signature your meeting attendance and offer contact info for the court/probation office should they have any questions.

Online AA Meeting Proof of Attendance—12-Step Online
AA Meeting Attendance Confirmation Form – If the intent of the requestor is to confirm the attendance of several AA meeting attendees, then the right form to use is an AA meeting attendance confirmation form.

The basic text for Alcoholics Anonymous.

Partners In Change
This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

This book tells how I got to AA and stopped drinking. It describes the many AA meetings I attended in the US and abroad and what I learned in those meeting I had to do in order to change to a better life and to get on and stay on the happy road to recovery.

Offering a unique theoretical foundation to understanding the lived experience of the active alcoholic, Denzin asserts that alcoholism is a disease in which negative emotions divide the self into warring, inner factions, fueled and distorted by alcoholic intoxication. The work is solidly anchored in a long-term study of the socialization experiences that began in alcoholism treatment centers and continue in Alcoholics Anonymous recovery programs. It covers the treatment process, the restructuring of self, the alcoholic’s interaction with his recovery treatment program, and the modalities of self-transcendence that result from treatment.

What does a codependent say to his mate when he wakes up? "Good morning, how am I?" --Overheard at a Codependents Anonymous meeting Throughout the world today, more than two million alcoholics and hundreds of thousands of drug addicts, compulsive overeaters, sex addicts, compulsive gamblers, codependents, and other addicts abstain from their addiction, having found a new life by practicing the 12-step program of recovery developed by Alcoholics Anonymous. Over the years, their practices have evolved into a way of life--the 12-Step Culture. "I don't remember my first meeting, but I've been told that I talked for a really long time." --Mary, a member of Narcotics Anonymous AA to Z is the first book to document the richness and diversity of the lives of recovering people and to provide an encyclopedic look at this unique subculture. Less self-help than enlightenment and entertainment, AA to Z is comprised of real-life stories of recovering addicts as well as an "addictionary" of recovery terminology. Everything from the well-known slogan "One Day at a Time" to more esoteric terms like "pigeon" (a lovingly insulting term for a newcomer to the program) and "Marf Rats" (sober Deadheads) is explained with clarity, insight, and humor. "How it works, you ask--slowly and well." --Cooper, a member of Alcoholics Anonymous Conversational, witty, and engaging, AA to Z is a must-have for all 12-step participants and their loved ones, and it offers the uninitiated a fascinating firsthand look at one of the most influential yet least-documented cultural movements of our time.

Offering a unique theoretical foundation to understanding the lived experience of the active alcoholic, Denzin asserts that alcoholism is a disease in which negative emotions divide the self into warring, inner factions, fueled and distorted by alcoholic intoxication. The work is solidly anchored in a long-term study of the socialization experiences that began in alcoholism treatment centers and continue in Alcoholics Anonymous recovery programs. It covers the treatment process, the restructuring of self, the alcoholic’s interaction with his recovery treatment program, and the modalities of self-transcendence that result from treatment.

Living Sober is an extremely informative book which does not offer a plan for getting sober but does offer us sound advice about how to stay sober. Living Sober is an extremely informative book which does not offer a plan for getting sober but does offer us sound advice about how to stay sober. Basic, essential information from Alcoholics Anonymous. As the book states, "Anyone can get sober. . .the trick is to live sober."

The problem of malfunctioning doctors is internationally recognised. Estimates in different countries of the number of disfunctioning doctors are around 50 million literature on problem doctors. This book is about understanding problem doctors and helping the profession find better ways to help them and protect the public, the patients. It describes the following questions: Which definitions of malfunctioning are being used? What is the nature of malfunctioning and to what extent does it occur? Are there any data about the incident or prevalence of problem doctors? What kind of regulations exist to deal with malfunctioning doctors and which solutions to tackle the problem have been found? How is or how could malfunctioning doctors be prevented? The first part of the book explores themes like the doctor as iatrogenic factor, the damage doctors may cause, the incompetent physician behind closed doors, the impaired physician, sexual contact between doctors and patients, and fraud and misconduct in medical science. The second part gives an overview of the problem doctor in different countries around the world and of the informal mechanisms used to cope with this problem. Part three covers the measures during the university training to prevent doctors from malfunctioning. How can we select better doctors in the future? And if every thing fails, is outplacement possible?

A handbook for newcomers to Alcoholics Anonymous providing program principles and historical references.
