Wordless Picture Books: a great way to get your child to tell the story. Illustrated stories are an enjoyable way to develop visual literacy and help lead a child through a story. But have you tried a wordless picture book? These encourage children to think for themselves and form their own interpretation of what is happening in the narrative.

Wordless picture books |
BookTrust

Sharing wordless books with a child provides an opportunity for literacy-rich conversations. Each "reader" listens and speaks, and creates their own story in their own words. Sharing wordless books also reinforces the idea that, in many books, the story

and the pictures are connected.

Sharing Wordless Picture Books | Reading Rockets

Wordless picture books push the reader to summarize, make inferences, interpret and evaluate visual information, ask questions, and make connections without any support from the written word. Young readers (pre-emergent, emergent, and early readers) can use wordless picture books to learn how the illustrations support and often drive a story.

the Airplane, a touching wordless picture book about a little girl, a shiny bicycle, and the meaning of persistence—with an unexpected payoff. A little girl sees a shiny new bicycle in the shop window. She hurries home to see if she has enough money in her piggy bank, but when she comes up short, she knocks on the doors of her neighbors, hoping to do their yardwork. They all turn her away except for a kindly old woman. The woman and the girl work through the seasons, side by side. They form a tender friendship. When the weather warms, the girl finally has enough money for the bicycle. She runs back to the store, but the bicycle is gone! What happens next shows the reward of hard work and the true

countries must continually find new ways of working with the increasing numbers of immigrant pupils, including refugees and asylum seekers. Language and literacy are crucial for inclusion in a new context but these must be developed in spaces where these children feel safe to explore themes that resonate with their experiences; to express their understanding and to engage in intercultural exchange. Visual Journeys Through Wordless Narratives presents the exploration of response strategies to Shaun Tan's *The Arrival*. The inquiry was carried out in educational settings, with children from many different parts of the world, in four host countries: the UK, Spain, Italy and the USA. The

Access PDF Activities That Encourage Talking

findings reveal the benefits of using wordless narratives such as picturebooks and graphic novels together with visual strategies to support immigrant children's literary understandings and visual literacy. They also reveal the wealth of experiences the children bring with them which have the potential to transform educational practices.
