The CHPS is a timed exam. Candidates have 3.5 hours to complete the exam. The total number of questions on the exam range between 140 and 160 total items. The exam is given in a computer-based format. AHIMA exams contain a variety of questions or item types that require you to use your knowledge, skills, and/ or experience to select the best answer. Each exam includes scored questions and pre-test questions randomly distributed throughout the exam.

perfect prescription for a bright,
secure, and financially healthy future!

Although physicians and hospitals are receiving incentives to use electronic health records (EHRs), there is little emphasis on workflow and process improvement by providers or vendors. As a result, many healthcare organizations end up with incomplete product specifications and poor adoption rates. Process Improvement with Electronic Health Records:
