Mary Higgins Clark, the Queen of Suspense, crafts a terrifying story of murder and obsession with “a slambam finish” (Los Angeles Times Book Review). When Laurie Kenyon, a twenty-one-year-old student, is accused of murdering her English professor, she has no memory of the crime. Her fingerprints, however, are everywhere. When she asks her sister, attorney Sarah, to mount her defense, Sarah in turn brings in psychiatrist Justin Donnelly. Kidnapped at the age of four and victimized for two years, Laurie has developed astounding coping skills. Only when the unbearable memories of those lost years are released can the truth of the crime come out—and only then can the final sadistic plan of her abductor, whose obsession is stronger than ever, be revealed.

A student obsessed with her English professor is accused of his murder, but cannot remember how her fingerprints could possibly have been found at the scene of the crime

When Professor Allan Grant is found stabbed to death, all the evidence points to an obsessed student, 21-year-old Laurie Kenyon. She sent him passionate letters, stalked him, watched him through his study window. And after the murder, she wakes up in her dormitory, covered in blood and clutching the knife that killed him, with no memory of the brutal crime. Laurie's sister and attorney, Sarah, is the only one who understands Laurie's daily nightmare and the shocking lingering effects of a childhood kidnapping too hideous to be recalled. Laurie's abductors - Bic Hawkins and his wife Opal, now prominent TV evangelists - fear she will start to remember her life with them. They must ensure that her past remains buried at all costs, even if it means Bic has to carry out the murderous threat he made all those years ago to a terrified girl...

An alphabet book in rhyme of the many sights to be seen in a city.

Rising, waking Bread is baking School bus honks its horn Who are the people in your neighborhood? Perfect for the pre-K set, this adorable rhyming text takes a walking tour of your community. The fresh modern art of Leo Timmers features hidden details and a perennial theme reminiscent of Richard Scarry. Little ones will beg to re-read again as they discover the characters who repeat throughout the art in this sweet and vibrant story.

Pictures depict busy people in a town throughout the year.

This special picture book offers a window into the African American community of Columbia, South Carolina, during the early twentieth century. While the town is specific, the themes and photographs are universal--weddings and funerals, teachers and preachers, sassy cars and baseball teams, and, of course, families of all sizes. More than half a century later, Richard Samuel Roberts's photographs and Dinah Johnson's lyrical text come together to illustrate the pride, joy, and strength of a bustling community.

When Glasgow journalist Gerry Conway receives a phone call promising unsavoury information about Scottish Justice Minister Peter Lyons, his instinct is that this apparent scoop won't warrant space in The Tribune. But as Conway's curiosity grows and his leads proliferate, his investigation takes him from Scotland to Belfast. Shocked by the sectarian violence of the past, and by the prejudice and hatred he encounters even now, Conway soon grows obsessed with the story of Lyons and all he represents. And as he digs deeper, he comes to understand that there is indeed a story to be uncovered; and that there are people who will go to great lengths to ensure that it remains hidden. Compelling, vividly written and shocking, ALL THE COLOURS OF THE TOWN is not only the story of an individual and his community - it is also a complex and thrilling inquiry into loyalty, betrayal and duty.

In the immediate sequel to The Gangs of New York, Herbert Asbury expands his purview beyond the Five Corners into a wonderful and surprising history of the whole city of New York. All Around the Town brings to authentic life a memorable range of characters, grifters, murderers and madmen. From “The Sawing-Off of Manhattan Island” to “The Wickedest Man in New York” to “The Flour Riot of 1837,” these twenty-three lively and accessible accounts make for top-notch, eccentric popular history as told by a master.

Maggie Holloway is unsatisfied with the explanation for her former stepmother's death, and when the residents of a nursing home begin dying suddenly and inexplicably she becomes suspicious. It is only later that she realizes she herself is a target for a twisted killer.
