Personally, I keep 4 Small Tiles using up a single column of space (note : a single column is based on the Normal Tile size) - Games, Control Panel, Run and Windows Feedback. Using build 10074. And no, that does not help. The "tile" area of the start menu is still 2 large or 4 medium or 8 small bricks wide and no way to make it narrower.

[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!""-Amazon Customer Review "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review "I LOVED it.
