Amistad: The Story of a Slave Ship (All Aboard Reading ...

Amistad is a story about an African man who was kidnapped and held captive on a Spanish ship called the Amistad. He and the other individuals who were kidnapped where able to set themselves free and took control of the ship. The group kept only two Spanish sailors alive who were to sail them back to Africa.

Amistad: the Story of a Slave Ship by Patricia C. McKissack

Amistad is a 1997 American historical drama film directed by Steven Spielberg, based on the true story of the events in 1839 aboard the slave ship La Amistad, during which Mende tribesmen abducted for the slave trade managed to gain control of their captors' ship off the coast of Cuba, and the international legal battle that followed their capture by the Washington, a U.S. revenue cutter.

Amistad (film) - Wikipedia

Director Stephen Spielberg deserves credit for bringing to public attention what historians used to refer to dismissively as "the Amistad incident." It is the story of a group of Africans who were captured in Sierra Leone and brought in chains to the Americas — and who revolted, captured their ship, the Amistad, and eventually were seized off the coast of New England. They won their freedom in a case before the Supreme Court and ultimately sailed back to their homeland in Africa.

THE REAL AMISTAD STORY - Jeremy Brecher

The story of the Amistad begins in 1839. The slave trade is illegal in many parts of the world -- but some slave traders pay no attention to the laws. In western Africa, Africans often kidnap their own to sell as slaves in other parts of the world

The Amistad Comes to Life | Education World

Amistad is the name of a slave ship traveling from Cuba to the U.S. in 1839. It is carrying a cargo of Africans who have been sold into slavery in Cuba, taken on board, and chained in the cargo hold of the ship. As the ship is crossing from Cuba to the U.S., Cinque, who was a tribal leader in Africa, leads a mutiny and takes over the ship.

Amistad (1997) - Plot Summary - IMDb

On July 2, 1839, the Spanish schooner Amistad was sailing from Havana to Puerto Príncipe, Cuba, when the ship's unwilling passengers, 53 slaves recently abducted from Africa, revolted. Led by Joseph Cinqué, they killed the captain and the cook but spared the life of a Spanish navigator, so that he could sail them home to Sierra Leone.

Amistad mutiny | North American-African history | Britannica

schooner. La Amistad (pronounced [la a.misʔtað]; Spanish for Friendship) was a 19th-century two- masted schooner, owned by a Spaniard living in Cuba. It became renowned in July 1839 for a slave revolt by Mende captives, who had been captured by Portuguese slave hunters in Sierra Leone (in violation of all extant treaties) and brought to Cuba. Two Spanish plantation owners, Don José Ruiz and Don Pedro Montes, bought 53 captives (including four children) in Havana, Cuba and were ...

La Amistad - Wikipedia

Overview In Spanish, Amistad means friendship. It was also the name of a slave ship. In 1838, the Amistad took hundreds of kidnapped Africans on a long journey across the Atlantic, but the brave captives would not give up their freedom, taking over the ship so they could sail back to their homeland.

Amistad The Story Of A Slave Ship

Amistad: The Story of a Slave Ship (Penguin Young Readers, Level 4) Paperback – Illustrated, December 29, 2005 by Patricia McKissack (Author), Sanna Stanley (Illustrator) 4.9 out of 5 stars 21 ratings See all formats and editions

An amazing chapter in American history is now available in Step into Reading, the premier leveled reader line. In 1838, a slave ship named the Amistad took hundreds of kidnapped Africans on a long journey across the Atlantic. But the brave captives would not give up their freedom, taking over the ship so they could sail back to their homeland. This History Reader is not to be missed. Step 4 Readers use challenging vocabulary and short paragraphs to tell exciting stories. For newly independent readers who read simple sentences with confidence.

Gripping tale of the epic 1839 revolt, aboard the schooner Amistad, of Africans bound for slavery in the New World. Young readers will thrill to the book's "you-are-there" flavor.

A scholarly account of the nineteenth-century slave ship rebellion presented from the perspectives of the slaves discusses their fight for freedom within the context of the chain of resistance spanning the earliest slave revolts through the Civil Rights era.

Inspired by a true story, the compelling tale of a child who arrives in America on the slave ship Amistad describes her capture, her witness to a mutiny and the Supreme Court trial that prompts her return to Africa.

This volume presents the first full-scale treatment of the only instance in history where African blacks, seized by slave dealers, won their freedom and returned home. Jones describes how, in 1839, Joseph Cinqué led a revolt on the Spanish slave ship, the Amistad, in the Caribbean. The seizure of the ship by an American naval vessel near Montauk, Long Island, the arrest of the Africans in Connecticut, and the Spanish protest against the violation of their property rights created an international controversy. The Amistad affair united Lewis Tappan and other abolitionists who put the "law of nature" on trial in the United States by their refusal to accept a legal system that claimed to dispense justice while permitting artificial distinctions based on race or color. The mutiny resulted in a trial before the U.S. Supreme Court that pitted former President John Quincy Adams against the federal government. Jones vividly recaptures this compelling drama--the most famous slavery case before Dred Scott--that climaxed in the court's ruling to free the captives and allow them to return to Africa.

The Amistad incident, one of the few successful ship revolts in the history of enslavement, has been discussed by historians for decades, even becoming the subject of a Steven Spielberg film in 1997, which brought the story to wide audiences. But, while historians have examined the Amistad case for its role in the long history of the Atlantic, the United States and slavery, there is an oil on canvas painting of one man, Cinqué, at the center of this story, an image so crucial to the continual retelling and memorialization of the Amistad story, it is difficult to think about the Amistad and not think of this image. Visual and material culture about the Amistad in the form of paintings, prints, monuments, memorials, museum exhibits, quilts and banners, began production in the late summer of 1839 and has not yet ceased. Art of the Amistad and The Portrait of Cinqué is the first book to survey in total these Amistad inspired images and related objects, and to find in them shared ideals and cultural creations, but also divergent applications of the story based on intended audience and local context. Tracing the revolutionary creation of what art historian Stephen Eisenman calls "a highly individualized, noble portrait of an African man," Art of the Amistad and The Portrait of Cinqué is built around visual and material culture, and thus does not use images merely as illustration, but tells its story through the wide range of images and materials presented. While the Portrait of Cinqué seems to sit quietly behind Plexiglass at a local history museum, the impact of this 175-year old painting is palpable; very few portraits from the 19th century—let alone a portrait of a black man—remain a relevant part of culture as the Portrait of Cinqué continues to be today. Art of the Amistad the Portrait of Cinqué is about the art and artifacts that continue to inform and inspire our understanding of transatlantic history—a journey 175 years in the making.

This book describes the historical account of the Amistad and the freeing of Africans who had been kidnapped in the 1830s.

Based on a true story, this novel describes the 1839 mutiny on the Spanish ship La Amistad. When the ship is intercepted by the United States navy, subsequent trials call the institution of slavery into question.

Features 28 meticulously rendered, ready-to-color illustrations, among them the capture of Africans in their homeland, their revolt aboard ship in Havana, imprisonment in a New Haven jail, and their successful defense before the Supreme Court by former U.S. President John Quincy Adams. Captions.

When a group of illegally enslaved Africans seizes their captors' ship, the Amistad, in 1839, they find themselves in a courtroom, with not only their freedom at stake but also the entire institution of slavery on trial. Original. Movie tie-in.
