The Anne Frank tree was a horse-chestnut tree in the city center of Amsterdam that was featured in Anne Frank's The Diary of a Young Girl. Anne Frank described the tree from The Annexe, the building where she and her family were hiding from the Nazis during World War II. Over the years, the tree deteriorated significantly due to both a fungus and a moth infestation. The Borough Amsterdam ...

Anne Frank tree - Wikipedia
The chestnut tree. In the period of over two years (6 July 1942 to 4 August 1944) that Anne Frank spent in hiding in the Secret Annex, nature and her longing for freedom played an ever greater role. Through a window in the attic that was not blacked out, Anne could see the sky, birds and the chestnut tree. She wrote about the tree in her diary three times, the last time on 13 May 1944.

Anne Franks Chestnut Tree Step into Reading
Kohuth introduces beginning readers to Anne Frank, emphasizing her appreciation of the chestnut tree growing outside the Secret Annex, her family's Amsterdam refuge. After briefly explaining Hitler's rise to power, laws discriminating against Jews, and the reasons for moving above Mr. Frank's office, the author details the difficulties of life in hiding and explains that Anne kept a diary named Kitty.

Anne Frank's Chestnut Tree (Step into Reading) - Kindle ...
"Hidden away in their Secret Annex in Amsterdam during World War II, Anne Frank and her family could not breathe fresh air or walk under the blue sky for years. But through an attic window, Anne could see the branches of a tall chestnut tree. This small glimpse of nature gave Anne hope and courage. It made her feel that God had not left her.

Anne Frank's Chestnut Tree by Jane Kohuth - Goodreads
As Anne wrote about her own hopes and dreamed of a better future, she often looked out upon a large horse chestnut tree in the garden behind the Secret Annex. For her, the tree symbolized freedom as well as nature, which she longed to enjoy once again. Sadly, the aging chestnut tree behind the Secret Annex collapsed from disease in 2010.

Sapling Project | annefrankusa - Anne Frank Center USA
The contrasting illustrations highlight the story of Anne's life in the Secret Annex through the backdrop of WWII in Amsterdam. It is certainly inspirational how Anne saw the chestnut tree as hope, while life below was dark and turbulent. Even though Ann and her tree died, Ann's story lives on and so does her special tree through its saplings.

A New York Times Best Illustrated Children's Book A New York Public Library Best Book for Kids, 2016 Told from the perspective of the tree outside Anne Frank's window—and illustrated by a Caldecott Honor artist—this book introduces her story in a gentle and incredibly powerful way to a young audience. The tree in the courtyard was a horse chestnut. Her leaves were green stars; her flowers foaming cones of white and pink. Seagulls flocked to her shade. She spread roots and reached skyward in peace. The tree watched a little girl, who played and laughed and wrote in a diary. When strangers invaded the city and warplanes roared overhead, the tree watched the girl peek out of the curtained window of the annex. It watched as she and her family were taken away—and when her father returned after the war, alone. The tree died the summer Anne Frank would have turned eighty-one, but its seeds and saplings have been planted around the world as a symbol of peace. Its story, and Anne's story, are beautifully told and illustrated in this powerful picture book.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank’s remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary’s first publication with a new introduction by Nobel Prize–winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testaments to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

Relates three silly ducks' rather impolite visit to their Auntie Goose's house, introducing simple action and noise words.

Photos of the famous diary, school pictures, and the rooms in which she lived with her family while hiding from the Nazis for two years are compiled in this moving biography about the short life and enduring spirit of this young girl and talented writer. Simultaneous.

Anne Frank and Martin Luther King Jr. were born the same year a world apart. Both faced ugly prejudices and violence, which both answered with words of love and faith in humanity. This is the story of their parallel journeys to find hope in darkness and to follow their dreams.

"This volume of essays was developed from ... a colloquium convened in 2005 by the Working Group on Jews, Media, and Religion of the Center for Religion and Media at New York University"--Intr.

Everyone knows about Anne Frank and her life hidden in the secret annex - but what about the boy who was also trapped there with her? In this powerful and gripping novel, Sharon Dogar explores what this might have been like from Peter’s point of view. What was it like to be forced into hiding with Anne Frank, first to hate her and then to find yourself falling in love with her? Especially with your parents and her parents all watching almost everything you do together. To know you’re being written about in Anne’s diary, day after day? What’s it like to start questioning your religion, wondering why simply being Jewish inspires such hatred and persecution? Or to just sit and wait and watch while others die, and wish you were fighting. As Peter and Anne become closer and closer in their confined quarters, how can they make sense of what they see happening around them? Anne’s diary ends on August 4, 1944, but Peter’s story takes us on, beyond their betrayal and into the Nazi death camps. He details with accuracy, clarity and compassion the reality of day to day survival in Auschwitz - and ultimately the horrific fates of the Annex’s occupants.

In this full color illustrated book, Slimey, Oscar the Grouch’s pet worm, plays the bookworm in this delightful ode to reading. "B is for books. All kinds of books! Books about counting. Books about cooks..."
