A sexy standalone novel from New York Times and international bestselling author Elle Kennedy! Three is most definitely not a crowd... Claire McKinley has just experienced every bride's nightmare: the groom is a no-show, and now she must face five hundred guests alone. Furious and humiliated, she seeks help from the most unlikely candidate—her almost-brother-in-law, who promptly whisks her away to his apartment in San Diego, where she can recover her pride in peace and quiet. Dylan Wade is no fan of Claire's, but he can't ignore the jilted bride in her time of need. Bringing her home seems like a good idea—until he remembers his new roommate. Dylan's relationship with Aidan Rhodes is...complicated. And with Claire thrown into the mix, life

File Type PDF Antique Maps CI54345

becomes even more...complicated. Claire is blindsided by her attraction not only to Dylan, but also to Aidan, a man she's just met. Soon they're caught up in an all-consuming sexual storm they can't fight even if they wanted to. But when their hearts get involved, Claire wonders if it can last, or if she's just setting herself up for more heartache. Warning: This book is very dirty. Ménage a trois and man-on-man dirty. Graphic language and explicit sex dirty. Basically? Dirty. You've been warned.

An inspiring visual guide to a richer life. "If there's a thinker to steal from, it's Jessica Hagy."—Austin Kleon, author of *Steal Like an Artist* and *Newspaper Blackout* How to Be Interesting is passionate, positive, down-to-earth, and irrepressibly upbeat, combining fresh and pithy life lessons, often just a sentence or two, with deceptively simple diagrams and graphs. Each of the book's more than 100 spreads will nudge readers a little bit further out of their comfort zones and into a place where suddenly everything is possible. It's about taking chance—but also about taking daily vacations. About being childlike, not childish. It's about ideas, creativity, risk. It's about trusting your talents and doing only what you want—but having the courage to get lost and see where the path leads. Because it's what you don't know that's interesting.

An ALA-YALSA Best Book for Young Adults New Bonus Content: -Q&A with Walter Dean Myers -Q&A with screenwriter John Ballard -Teaser chapter from On a Clear Day -Excerpt from 145th Street All eyes are on seventeen-year-old Lonnie Jackson while he practices with his team for a city-wide basketball Tournament of Champions. His coach, Cal, knows Lonnie has what it takes to be a pro basketball player, but warns him about giving in to the pressure. Cal knows because he, too, once had the chance—but sold out. As the tournament nears, Lonnie learns that some heavy bettors want Cal to keep him on the bench so that the team will lose the championship. As the last seconds of the game tick away, Lonnie and Cal must make a decision. Are they willing to blow the chance of a lifetime?

Business and pleasure collide in book one of the fan-favorite Hot Zone series by New York Times bestselling author Carly Phillips Annabelle Jordan and her two sisters were orphans in frilly dresses when they went to live with their sports-lawyer uncle in his world of locker rooms, bookies and gambling. Now the girls are publicists in their uncle's firm, The Hot Zone. Despite her upbringing, Annabelle is all woman. She's naturally drawn to real men—like her latest client, businessman and former football legend Brandon Vaughn. The chemistry

File Type PDF Antique Maps CI54345

is potent, undeniable, irresistible. Annabelle soon realizes that Brandon is much more than just another jock. And that she'd better hold on tight if she doesn't want to lose her heart.

The success of every business in the hospitality industry depends on maximizing revenues and minimizing costs. This Ninth Edition continues its time-tested presentation of fundamental concepts and analytical techniques that are essential to taking control of real-world accounting systems, evaluating current and past operations, and effectively managing finances toward increased profits. It offers hands-on coverage of computer applications and practical decision-making skills to successfully prepare readers for the increasingly complex and competitive hospitality industry.

How (Not) to Be Secular is what Jamie Smith calls "your hitchhiker's guide to the present" -- it is both a reading guide to Charles Taylor's monumental work *A Secular Age* and philosophical guidance on how we might learn to live in our times. Taylor's landmark book *A Secular Age* (2007) provides a monumental, incisive analysis of what it means to live in the post-Christian present -- a pluralist world of competing beliefs and growing unbelief. Jamie Smith's book is a compact field guide to Taylor's insightful study of the secular,

File Type PDF Antique Maps CI54345

making that very significant but daunting work accessible to a wide array of readers. Even more, though, Smith's *How (Not) to Be Secular* is a practical philosophical guidebook, a kind of how-to manual on how to live in our secular age. It ultimately offers us an adventure in self-understanding and maps out a way to get our bearings in today's secular culture, no matter who "we" are -- whether believers or skeptics, devout or doubting, self-assured or puzzled and confused. This is a book for any thinking person to chew on.

In a delightfully sexy and witty series, New York Times and USA TODAY bestselling author Karen Hawkins creates an unforgettable couple locked in a marriage that begins with a desperate feud—and ends in seduction. It's hardly the type of wedding Fiona MacLean dreamed of. No family, no guests, just a groom who's been dragged—literally—to the altar. But if marriage to Black Jack Kincaid, the handsome wastrel she'd sworn never to see again, will avert a bloody war between their clans, so be it. Surely she can share his bed without losing her heart... Known throughout Scotland and London as a wild rogue, Jack is accustomed to waking in dire situations, but...married? Long ago, he and Fiona reveled in a youthful passion. Now, the fiery, sensual lass is his once more. And though their marriage is in name only, Jack is determined to win her forever—body and soul...

NOTABLE BOOK OF THE YEAR: New York Times, Washington Post TOP TEN BOOKS OF THE YEAR: Los Angeles Times, Christian Science Monitor BEST BOOK OF THE YEAR: Wall Street Journal, NPR, Kirkus, Fresh Air (Maureen Corrigan), San Francisco Chronicle TOP TITLES FOR GIFT GIVING: Chicago Tribune Longlisted for the 2015 National Book Award -- and a nationwide bestseller. Over the past several decades, Edith Pearlman has staked her claim as one of the all-time great practitioners of the short story. Her incomparable vision, consummate skill, and bighearted spirit have earned her consistent comparisons to Anton Chekhov, John Updike, Alice Munro, Grace Paley, and Frank O'Connor. Her latest work, gathered in this stunning collection of twenty new stories, is an occasion for celebration. Pearlman writes with warmth about the predicaments of being human. The title story involves an affair, an illegitimate pregnancy, anorexia, and adolescent drug use, but the true excitement comes from the evocation of the interior lives of young Emily Knapp, who wishes she were a bug, and her inner circle. "The Golden Swan" transports the reader to a cruise ship with lavish buffets--and a surprise stowaway--while the lead story, "Tenderfoot," follows a widowed pedicurist searching for love with a new customer anguishing over his own buried trauma. Whether the characters we encounter are a special child with pentachromatic vision, a group of

File Type PDF Antique Maps CI54345

displaced Somali women adjusting to life in suburban Boston, or a staid professor of Latin unsettled by a random invitation to lecture on the mystery of life and death, Pearlman knows each of them intimately and reveals them to us with unsurpassed generosity. In prose as knowing as it is poetic, Pearlman shines a light on small, devastatingly precise moments to reflect the beauty and grace found in everyday life. Both for its artistry and for the recognizable lives of the characters it renders so exquisitely and compassionately, Honeydew is a collection that will pull readers back time and again. These stories are a crowning achievement for a brilliant career and demonstrate once more that Pearlman is a master of the form whose vision is unfailingly wise and forgiving.

Rugged Scott Taylor can't stay away from the stunning Megan. But their sizzling attraction could compromise the search for her missing brother and put her in terrible danger. Can the pair survive treachery, betrayal, and their own mistrust? "Bev Pettersen writes with flair and a down-to-earth warmth that will make you smile and sigh with contentment." - Julianne MacLean, USA Today Bestselling Author Heart of Excellence Readers Choice Award National Readers Choice Award Finalist HOLT Medallion Award of Merit Winner Reader Views Reviewers Choice Award A frantic sister is determined to find

File Type PDF Antique Maps CI54345

her missing brother even though no one else at the isolated California Jockey School seems to care. Her only ally is a sexy private investigator who unfortunately is the owner's best friend. Soon she is torn between a smoldering romance and a far-reaching conspiracy. And misplaced trust can be deadly.

Guaranteed to perk up even the most cynical spirit, HOW TO BE HAPPY, DAMMIT is the first and only self-help book that merges psychology, biology, eastern and western philosophies, quantum physics, and the Zen of Bazooka Joe. Think love and happiness have passed you by? Think no schmaltzy book can help you capture the life-joy you're looking for? This book is different, promises author Karen Salmansohn. Peek within its colorful, uniquely designed pages, and you really will find pearls of wisdom to help you discover more satisfaction every day. And you'll find no saccharine sweetness here. This book tells it like it is, exploring the ups and downs of life in a straightforward, thought-provoking, and humorous way. HOW TO BE HAPPY, DAMMIT is the self-help book for people who don't buy self-help books. It may not change your life (unless you let it), but it will certainly brighten your day, even if you are a die-hard cynic. • Includes 44 life lessons that will save you years of time, effort, and navel-gazing. • Inspiring, fanciful graphics and illustrations throughout. • Karen Salmansohn's book How to
