We form art. Art forms us. The title of this book has a dual meaning. As humans form works of art, we are in turn formed by what we create. The art world constantly evolves, as today's artists interpret, challenge, and ultimately create the world around them. The 11th edition of Prebles' Artforms reflects this dynamic environment; it is one of the most exhaustive revisions in the book's history. Three recent trends drive this edition: changing pedagogical needs, new scholarly research, and recent creativity by artists around the world. MyArtsLab is an integral part of the Prebles' Artforms program. Engaging activities and assessment provide a teaching and learning system that helps students experience and interact with art. Key learning tools include ART 21 videos, Studio Technique videos, and our hallmark Closer Look tours of works of art. This important and welcome volume is the first English-language anthology of writings on Latin American modern art of the twentieth century. The book includes some fifty seminal essays and documents—including statements, interviews, and manifestoes by artists—that encompass the broad diversity of this emerging field. Many of these materials are difficult to access and some are translated here for the first time. Together the selections explore the breadth and depth of Latin American modern art as well as its distinctive evolution apart from American and European art history. Included in this collection are fascinating ideas and insights on the impact of the avant-garde in the 1920s, the Mexican mural movement, Surrealism and other fantasy-based styles, modern architecture, geometric and optical art, concrete and neo-concrete art, and political conceptualism. For students and scholars of Latin American art, the volume offers an invaluable collection of primary and secondary sources.

Designed for introduction to art courses, this text covers art history and looks at art from the oldest cultures and from around the world.

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world.
