A laugh-out-loud funny debut that captures the craziness of primary school, where (of course!) your teacher might just be an alien and your best friend is frightened of peas.

Izzy is really pleased to have been put in charge of the new girl at school. Mathilde is French, and Izzy and her friends can't wait to show her their den and its moth, and to help her avoid school dinners (also known as POISON). But Mathilde LOVES school dinners and even has SECONDS! And that's when they know. MATHILDE is a SPY and she has come to find out their SECRETS. They must stop her before it's TOO LATE!!!

Izzy LOVES all the stories the Ancient Greeks told! She can't wait to tell her friends about Icarus, who was a TOTAL NUMPTY, and the Trojan Horse, which ended a war and wasn't even REAL! So pull up a plinth and enjoy all the DRAMA of the original Greek myths, as told by Pamela Butchart and Thomas Flintham, in collaboration with the British Museum. Now with even more SANDALS!

The third zippy and zany tale by Pamela Butchart sees Izzy and her friends plunged into more primary-school craziness. This time, they decide that their new head teacher is a vampire rat, based on his being slightly scary, having the blinds drawn in his office during the day and the fact he's banned garlic bread at lunchtimes. Now they just have to come up with a plan to vanquish him...

Izzy and her friends are SO EXCITED about their school trip. They're going camping and there'll be marshmallows and no washing and everything. But then WEIRD things start happening! There are howling sounds at night, and some sausages have gone missing, and it's nearly a full moon... But it's when they see their new teacher's hairy legs that they KNOW! There's a werewolf on the school trip and they're all DOOMED! Another brilliantly funny longer read for the newly confident reader from the best-selling, award-winning, author-illustrator team, Pamela Butchart and Thomas Flintham.

Izzy and her friends have never liked school dinners. And they're getting worse. The dinner ladies are acting strangely. Lollipop man mentions there is a new head dinner lady and calls her "a bit of a legend" (in a bad way) and that she used to be here a long, long time ago and has returned. Izzy and friends wonder if she is the reason for the strange behaviour. They wonder why she has returned. They find out she was fired. They speculate as to why and decide she's a demon who's returned to do bad things. Because why wouldn't she be?

Izzy and her friends are shocked when they find their lollipop man has disappeared! Maisie thinks he's gone to Rome but if that's true, why do they keep seeing a weird white wispy cloud around the school? And why do Izzy's legs feel cold even though she's got tights on? Could it be that the lollipop man is a phantom and he's come to spook them all?! Laugh-out-loud fun from Blue Peter Award winners Pamela Butchart and Thomas Flintham.

Izzy and friends are excited! The snow is falling fast and they're hoping they'll all be sent home early. But then they hear weird noises in the playground, and find a big footprint in the snow... And that's when they know! There's a YETI in the playground and it's HUNGRY! Laugh-out-loud fun from Blue Peter Award winners Pamela Butchart and Thomas Flintham. Read more of Izzy's adventures! Baby Aliens Got My Teacher The Spy Who Loved School Dinners My Headteacher Is a Vampire Rat Attack of the Demon Dinner Ladies To Wee Or Not To Wee! There's a Werewolf In My Tent! The Phantom Lollipop Man!

When Haroon's mum brings his baby brother into school, Izzy and her friends are ALARMED! The baby is clearly using mind control because the office ladies are being REALLY NICE. He spells space words with his blocks and he REALLY LIKES SCHOOL DINNERS! But it's when he starts USING HIS ALIEN PHONE that they know. Haroon's baby brother is from outer space and he's MAKING CONTACT WITH ALIENS! A brand new laugh-out-loud story created especially for World Book Day by Blue Peter Award winners Pamela Butchart and Thomas Flintham.
