The Bad Boys Heart A very well written teen soap opera. This book shows you every up and down , happy, sad, mad the whole angst of being a teen. Cole is the hottie , a bad boy that loves, but always seems to hurt his love. I started yelling at my iPad like I was their mom. Definitely movie material.

Getting close to an arrogant bad boy like him is dangerous. Too bad it's her only choice. Kain Badd looks great on paper: rich, handsome, and he's even a prince. But after spending a few minutes together, Sammy sees the real him—arrogant, possessive, and too hot for his own good. If she hadn't agreed to help plan his sister's wedding, she could have avoided him. Instead, she's waking up in his bed after an unforgettable night she definitely wants to forget. But he won't let her. When Sammy thinks her life can't get any crazier, the wedding is raided by the police, and she spends her first-ever night in jail. The irresistible Kain isn't just bad in name—his family is connected to a dangerous underworld. Now she's mixed up in a power struggle between his family's empire and their rivals. She has no choice but to put herself back in this filthy prince's extremely capable hands. Sammy must trust Kain to keep her safe. She's just not sure she can trust herself to resist temptation.

Horror, Thriller, Crime/Suspense, and Urban Fantasy combine for one explosive mix! Urban Fantasy fans who crave edgy, graphic horror elements especially will want to take note of this series. It takes a beast to catch a killer! Nick Lupo is a good cop—with the instincts of a great detective ... or maybe a wolf. Lupo has a lot in common with wolves, which is only natural considering he's a werewolf. He's battled the creature inside him for years, but now there's another predator in the area. A bloodthirsty serial killer is leaving a gruesome trail of victims, and it's up to Lupo to track him down and stop the slaughter. Will Lupo dare to unleash one beast to stop another? Wolf's Trap is the Bram Stoker Award-nominated first book of the savage series of horror/thrillers about Nick Lupo, the werewolf/cop. These "North Woods Noirs" are set mostly in the wilds of Northern Wisconsin, where werewolf legends abound and the moon paints the treetops silver.

"A page-turning, pearl-clutching mystery!" -Kimberly Derting, author of The Body Finder and Desires of the Dead "One killer novel." -Lee Nichols, author of the Haunting Emma series "The moment you finish, you'll start writing your fan letter, begging for more." -Adele Griffin, National Book Award Finalist and author of The Julian Game and Picture the Dead Since when do the dead send emails? Kate Lowry's best friend Grace died a year ago. So when she gets an email from her, Kate's more than a little confused. To: KateLowry@pemberlybrown.edu From: GraceLee@pemberlybrown.edu Subject: (no subject) Kate, I'm here... sort of. Find Cameron. He knows. I shouldn't be writing. Don't tell. They'll hurt you. Now Kate has no choice but to prove once and for all that Grace's death was more than just a tragic accident. She teams up with a couple of knights-in-(not-so)-shining armor-the dangerously hot bad boy, Liam, and her lovestruck neighbor, Seth. But at their elite private school, there are secrets so big people will do anything to protect them-even if it means getting rid of anyone trying to solve a murder...

"In this sly and salacious work, Nutting forces us to take a long, unflinching look at a deeply disturbed mind, and more significantly, at society's often troubling relationship with female beauty." (San Francisco Chronicle) In Alissa Nutting's novel Tampa, Celeste Price, a smoldering 26-year-old middle-school teacher in Florida, unrepentantly recounts her elaborate and sociopathically determined seduction of a 14-year-old student. Celeste has chosen and lured the charmingly modest Jack Patrick into her web. Jack is enthralled and in awe of his eighth-grade teacher, and, most importantly, willing to accept Celeste's terms for a secret relationship—car rides after dark, rendezvous at Jack's house while his single father works the late shift, and body-slaming erotic encounters in Celeste's empty classroom. In slaking her sexual thirst, Celeste Price is remorseless and deviously free of hesitation, a monstess of pure motivation. She deceives everyone, is close to no one, and cares little for anything but her pleasure. Tampa is a sexually explicit, virtuosically satirical, American Psycho-esque rendering of a monstrously misplaced but undeterrable desire. Laced with black humor and crackling sexualized prose, Alissa Nutting's Tampa is a grand, seriocomic examination of the want behind student / teacher affairs and a scorching literary debut.
