me),

Geronimo Stilton's relaxing vacation turns into a crazy treasure hunt in South Dakota, complete with a run-in with a mountain lion and a hot-air balloon ride to Mount Rushmore.

"All creatures of the world find time to rest. In this lullaby book, countless cozy animals settle down in their beds"--

A thrilling quest through the past with Geronimo Stilton and his friends.

It was spring in New Mouse City! I love to celebrate the season with my fellow mice by exchanging chocolate eggs and competing in a confectionary challenge. This year, there was also a special exhibition of priceless jeweled Mousebergé eggs in town. Then one of the Mousebergé eggs was stolen... and it was up to me to find it! Squeak! Could I chase it down?

I am not the kind of mouse who spends money on useless things. But one day I kept getting packages of things I did not order or need. Someone on the Internet had stolen my identity! Professor Margo Bitmouse, a well-known computer expert, helped me track down the hacker. Could I find the thief before my reputation was ruined?

First GP win aged 17. First world title at 18. First 500 class win at 21. First MotoGP win at 22. Living Legend. Valentino Rossi is the

greatest motorcyclist on earth. Wherever he goes, legions of fans follow him, in awe of his professionalism and skill on the track, and his style and charisma off it. Valention Rossi: Brilliant, talented, always relaxed, and very, very fast.

After Vasari's *Lives of the Most Famous Artists*, *The Life of Titian* by the seventeenth-century Venetian artist and writer Carlo Ridolfi is the most important contemporary documentary source for our understanding of the great Renaissance artist. This new critical edition, the first translation into English of Ridolfi's biography, illuminates his life, his artistic production, and his early critical reputation. The editors address art-historical questions of attribution, provenance, and documentation that Ridolfi's biography raises. Two introductory essays present the nature, scope, and importance of the biography for the study of Titian and Venetian Renaissance art and place Ridolfi in the tradition of Renaissance biography and artistic literature. The annotations provide a useful and current bibliography drawn from both art history and literature. *The Life of Titian* will be of interest to a wide audience of scholars and students of the history of Renaissance art, literature, language, and culture.

From the Jurassic period and the dinosaurs, to a medieval castle, Geronimo Stilton and a few members of his family embark on an adventure through time in Professor von Volt's new time machine, the Mouse Mover 3000.
