The translation of Beowulf by J.R.R. Tolkien was an early work, very distinctive in its mode, completed in 1926: he returned to it later to make hasty corrections, but seems never to have considered its publication. This edition is twofold, for there exists an illuminating commentary on the text of the poem by the translator himself, in the ...

*Beowulf: A Translation and Commentary, together with ...*

Beowulf: A Translation and Commentary is a prose translation of the early medieval epic poem Beowulf from Old English to modern English. Translated by J. R. R. Tolkien from 1920 to 1926, it was edited by Tolkien's son Christopher and published posthumously in May 2014 by HarperCollins. In the poem, Beowulf, a hero of the Geats in Scandinavia, comes to the aid of Hroðgar, the king of the Danes, whose mead hall Heorot has been under attack by a monster known as Grendel. After Beowulf kills ...

*Beowulf: A Translation and Commentary, Together with ...*

A prose translation of *Beowulf* by J.R.R. Tolkien was completed by 1926, when he was 34, and at the time he was elected to the professorship of Anglo-Saxon at Oxford. The text was 'completed', in the sense that it ran from the beginning to the end of the poem, but cannot be called 'finished', for he returned to it in later years for hasty corrections where his view of the interpretation of Old English words or passages, or the suitability of his modern words, had changed.

*Tolkien Estate | Beowulf ~ Translation & Commentary*

J.R.R. Tolkien completed his translation of *Beowulf* in 1926: he returned to it later to make hasty corrections, but seems never to have considered its publication. This edition includes an illuminating written commentary on the poem by the translator himself, drawn from a series of lectures he gave at Oxford in the 1930s.

New York Times bestseller "A thrill . . . Beowulf was Tolkien's lodestar. Everything he did led up to or away from it . . . Perhaps, in the dark of night, he already knew what would happen: that he would never publish his beautiful Beowulf, and that his intimacy with the poem, more beautiful, would remain between him and the poet—a secret love."—New Yorker The translation of Beowulf by J.R.R. Tolkien was an early work, very distinctive in its mode, completed in 1926: he returned to it later to make hasty corrections, but seems never to have considered its publication. This edition is twofold, for there exists an illuminating commentary on the text of the poem by the translator himself, in the written form of a series of lectures given at Oxford in the 1930s; and from these lectures a substantial selection has been made, to form also a commentary on the translation in this book. From his creative attention to detail in these lectures there arises a sense of the immediacy and clarity of his vision. It is as if he entered into the imagined past: standing beside Beowulf and his men shaking out their mail-shirts as they beached their ship on the coast of Denmark, listening to the rising anger of Beowulf at the taunting of Unferth, or looking up in amazement at Grendel's terrible hand set under the roof of Heorot. But the commentary in this book includes also much from those lectures in which, while always anchored in the text, he expressed his wider perceptions. He looks closely at the dragon that would slay Beowulf "snuffling in baffled rage and injured greed when he discovers the theft of the cup"; but he rebuts the notion that this is "a mere treasure story", "just another dragon tale". He turns to the lines that tell of the burying of the golden things long ago, and observes that it is "the feeling for the treasure itself, this sad history" that raises it to another level. "The whole thing is sombre, tragic, sinister, curiously real. The 'treasure' is not just some lucky wealth that will enable the finder to have a good time, or marry the princess. It is laden with history, leading back into the dark heathen ages beyond the memory of song, but not beyond the reach of imagination." Sellic spell, a "marvellous tale", is a story written by Tolkien suggesting what might have been the form and style of an Old English folk-tale of Beowulf, in which there was no association with the "historical legends" of the Northern kingdoms.

The translation of Beowulf by J.R.R. Tolkien was an early work, very distinctive in its mode, completed in 1926: he returned to it later to make hasty corrections, but seems never to have considered its publication.

A new, feminist translation of Beowulf by the author of the much-buzzed-about novel *The Mere Wife* Nearly twenty years after Seamus Heaney's translation of Beowulf—and fifty years after the translation that continues to torment high-school students around the world—there is a radical new verse translation of the epic poem by Maria Dahvana Headley, which brings to light elements that have never before been translated into English, recontextualizing the binary narrative of monsters and heroes into a tale in which the two categories often entwine, justice is rarely served, and dragons live among us. A man seeks to prove himself as a hero. A monster seeks silence in his territory. A warrior seeks to avenge her murdered son. A dragon ends it all. The familiar elements of the epic poem are seen with a novelist's eye toward gender, genre, and history—Beowulf has always been a tale of entitlement and encroachment, powerful men seeking to become more powerful, and one woman seeking justice for her child, but this version brings new context to an old story. While crafting her contemporary adaptation of Beowulf, Headley unearthed significant shifts lost over centuries of translation.

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

A widely celebrated translator's vivid, accessible, and elegantly concise rendering of an ancient English masterpiece Beowulf tells the story of a Scandinavian hero who defeats three evil creatures--a huge, cannibalistic ogre named Grendel, Grendel's monstrous mother, and a dragon--and then dies,

mortally wounded during his last encounter. If the definition of a superhero is "someone who uses his special powers to fight evil," then Beowulf is our first English superhero story, and arguably our best. It is also a deeply pious poem, so bold in its reverence for a virtuous pagan past that it teeters on the edge of heresy. From beginning to end, we feel we are in the hands of a master storyteller. Stephen Mitchell's marvelously clear and vivid rendering re-creates the robust masculine music of the original. It both hews closely to the meaning of the Old English and captures its wild energy and vitality, not just as a deep "work of literature" but also as a rousing entertainment that can still stir our feelings and rivet our attention today, after more than a thousand years. This new translation--spare, sinuous, vigorous in its narration, and translucent in its poetry--makes a masterpiece accessible to everyone.

The story of one man's triumph over a legendary monster, Beowulf marks the beginning of Anglo-Saxon literature as we know it today. This Enriched Classic includes:

- A concise introduction that gives readers important background information
- A timeline of significant events that provides the book's historical context
- An outline of key themes and plot points to help readers form their own interpretations
- Detailed explanatory notes
- Critical analysis and modern perspectives on the work
- Discussion questions to promote lively classroom and book group interaction
- A list of recommended related books and films to broaden the reader's experience

Enriched Classics offer readers affordable editions of great works of literature enhanced by helpful notes and insightful commentary. The scholarship provided in Enriched Classics enables readers to appreciate, understand, and enjoy the world's finest books to their full potential. Series edited by Cynthia Brantley Johnson

A stunning experimental translation of the Old English poem "Beowulf," over 30 decades old and woefully neglected, by the contemporary poet Thomas Meyer, who studied with Robert Kelly at Bard, and emerged from the niche of poets who had been impacted by the brief moment of cross-pollination between U.K. and U.S. experimental poetry in the late 1960s and early 1970s, a movement inspired by Ezra Pound, fueled by interactions among figures like Ed Dorn, J.H. Prynne, and Basil Bunting, and quickly overshadowed by the burgeoning Language Writing movement. Meyer's translation -- completed in 1972 but never before published -- is sure to stretch readers' ideas about what is possible in terms of translating Anglo-Saxon poetry, as well as provide new insights on the poem itself. According to John Ashberry, Meyer's translation of this thousand-year-old poem is a "wonder," and Michael Davidson hails it as a "major accomplishment" and a "vivid" recreation of this ancient poem's "modernity."

Daniel Ladinsky's stunning interpretations of 365 soul-nurturing poems—one for each day of the year—by treasured Persian lyric poet Hafiz The poems of Hafiz are masterpieces of sacred poetry that nurture the heart, soul, and mind. With learned insight and a delicate hand, Daniel Ladinsky explores the many emotions addressed in these verses. His renderings, presented here in 365 poignant poems—including a section based on the interpretations of Hafiz by Ralph Waldo Emerson—capture the compelling wisdom of one of the most revered Sufi poets. Intimate and often spiritual, these poems are beautifully sensuous, playful, wacky, and profound, and provide guidance for everyday life, as well as deep wisdom to savor through a lifetime.
