This campaign guide offers both players and Gamemasters a wide array of new options that can be used to craft a unique roleplaying game experience. Featuring new game material, this book presents an entire campaign during the violent days of the Old Republic.

Rob had not been in love with her when he'd married her. This, Maria concluded, was why he had not been able to keep his marriage vows. When he betrayed her just a few years into their marriage, she wanted to leave him immediately, despite the fact that she still loved him. But knowing how their separation would devastate their children,

she decided to stay, at least until both children were old enough. Later, she would learn about Rob's greater betrayal, committed before they'd even been married. Maria finally found the courage to leave Rob when their children were grown and married. Her leaving came as a great shock to him, who'd assumed his wife would stay forever. She hadn't left him when she had first learned of his betrayals, had she? So why did she have to leave at all? It was only after she was gone that Rob realized how much he needed her. Her absence was almost unbearable. He'd tried to win her back, but it was too late. She had fallen in love with another man. Now, nearly a decade after their estrangement, Rob and Maria find themselves in the same tour group doing the Camino de Santiago. She'd joined the tour, hoping it would

help assuage her grief over her partner's death; Rob had joined because he thought it would be 'fun'. Neither of them could have predicted how much the Camino tour would transform their lives. The lives of Nina and Joy, friends and neighbors of Maria who did the Camino with them, and those of the other pilgrims in their group are transformed as well. This is their story too.

The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars®: The Old Republic™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular “Deceived” and

“Hope” game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she’s going to find out what happened to him, even if it means breaking every rule in the book. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

In his quest for total domination, Darth Sidious compiled six legendary dark side texts detailing Sith history and philosophy by Sorzus Syn, Darth Malgus, Darth Bane, Mother Talzin, Darth Plagueis, and himself. Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others. Collected by acclaimed Star Wars writer Daniel Wallace and
