Impairment and disability are widely used terms, yet considerable disagreement exists as to their relationship—especially when

Where To Download Beyond The Dsm Story

impairment means different things to different professionals in the fields of mental health, medicine, and education. Although diagnostic criteria for various disorders are clearly detailed in the DSM-IV and elsewhere, criteria for impairment remain elusive. And patients with

Where To Download Beyond The Dsm Story

severe limitations but minimal symptoms, or the reverse, further complicate the discussion. The first in-depth treatment of the theory, definition, and evaluation of this core concept, *Assessing Impairment: From Theory to Practice* cuts through the confusion and cross-talk. Leading
