Bradt's new guide to the Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra, by experienced writer and journalist Mark Rowe is the only full-size guide to focus solely on the islands of Lewis, Harris, St Kilda, North Uist, Benbecula, South Uist, Eriskay, Barra and Vatersay. Masses of background information is included, from geography and geology to art and architecture, with significant coverage of wildlife, too, as well as all the practical details you could need: when to visit, suggested itineraries, public holidays and festivals, local culture, plus accommodation and where to eat and drink. Walkers, bird-watchers, wildlife photographers, beach lovers and genealogists are all catered for, and this is an ideal guide for those who travel simply with curious minds to discover far-flung places of great cultural, historical and wildlife interest. The Outer Hebrides is an archipelago of 15 inhabited islands and more than 50 others that are free of human footprint. Huge variations in landscape are found across the islands, from Lewisian gneiss, which dates back almost three billion years, to rugged Harris with its magnificent sands running down its western flanks and the windswept, undulating flatness and jagged sea lochs of the Uists. This is a land where Gaelic is increasingly spoken and ancient monuments abound, where stunning seabird colonies and birds of prey can be watched, and where the grassy coastal zones known as the machair are transformed into glorious carpets of wildflowers in late spring and summer. Whether visiting the Standing Stones of Callanish, the Uig peninsula, Barra's Castle Bay, or historic St Kilda, or if you just want to experience the romance of the Sound of Harris, one of the most beautiful ferry journeys in the world, Bradt's Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra has all the information you need.

Officially launched in 2017, the Hebridean Way offers walkers the opportunity to experience the magic of Scotland's Outer Hebrides in one inspirational journey. The waymarked route stretches 247km (155 miles) from Vatersay to Stornoway, linking ten major islands of the

archipelago by means of causeways and two ferry crossings: Vatersay, Barra, Eriskay, South Uist, Benbecula, Grimsay, North Uist, Berneray, Harris and Lewis. Suitable for most walkers with a moderate level of fitness, it can be completed in 8-14 days and is rich in natural, historical and cultural interest. This guidebook presents the Hebridean Way in 10 stages of 16-35km (10-22 miles), plus two additional stages to extend the route to the Butt of Lewis in line with future plans. Detailed route description is accompanied by 1:50,000 OS mapping, stunning photography to whet your appetite and a wealth of information about local points of interest. The introduction offers an overview of the islands' geology, history, plants and wildlife as well as comprehensive practical advice for walking the route, such as when to go, how to get there (and back) and what to take. Accommodation listings can be found in the appendices. The route is a celebration of the diverse landscapes of the Hebrides, from dazzling white shell beaches to wild moorland and flower-strewn machair. It visits Neolithic and Bronze Age remains, ruined forts and castles and monuments commemorating Bonnie Prince Charlie and the Highland Land Struggle. The islands are also a great location to spot seabirds, raptors and a number of migratory species.

Guidebook to walking the Hebridean Way, a 154-mile (247km) walking route along the length of the Outer Hebrides. From the island of Vatersay to Stornoway on Lewis, the waymarked route can be walked in 8-13 days and crosses a variety of terrain including shell beaches, rugged hills and wild moor. Also includes an extension to the Butt of Lewis.

The latest book in Birlinn's acclaimed series of historical guides; an up-to-date, authoritative and accessible introduction to the built heritage of the Outer Hebrides

This guide provides information on the histories and cultures of the Shetland Islands. Fully illustrated throughout and with several maps it, gives great insight into the lives of these islands.

This guidebook describes 30 day walks all over the Isles of Harris and Lewis, in the Outer Hebrides. The walks range from 2 and 14 miles (4 to 22km) in length, and are easily accessible from Stornoway or Tarbet. Routes vary from short strolls to long wilderness hikes, high-level and low-level, and include the An Cliseam horseshoe, visits to ancient historic monuments like the stone circles of Calanais and the famous Butt of Lewis lighthouse, all illustrated with OS 1:50,000 maps and dramatic photography. The routes take in most of the main summits as well as historical and geographical places of interest. A list of all the Marilyn's (British hills of any height with a drop of at least 150m on all sides) on Harris, Lewis and St Kilda is included at the back. Tips are also included about walking on St Kilda, Berneray, Taransay, The Shiant Islands and The Flannan Isles, along with a short Gaelic glossary and route summary table, and advice on practicalities to make the most out of any walking trip on Harris and Lewis.

The Outer Hebrides of Scotland epitomize the evocative beauty and remoteness of island life. The most dramatic of all the Hebrides is Harris, a tiny island formed from the oldest rocks on earth, a breathtaking landscape of soaring mountains, wild lunarlike moors, and vast Caribbean-hued beaches. This is where local crofters weave the legendary Harris Tweed—a hardy cloth reflecting the strength, durability, and integrity of the life there. In *Seasons on Harris*, David Yeadon, "one of our best travel writers" (The Bloomsbury Review), captures, through elegant words and line drawings, life on Harris—the people, their folkways and humor, and their centuries-old Norse and Celtic traditions of crofting and fishing. Here Gaelic is still spoken in its purest form, music and poetry ceilidh evenings flourish in the local pubs,

and Sabbath Sundays are observed with Calvinistic strictness. Yeadon's book makes us care deeply about these proud islanders, their folklore, their history, their challenges, and the imperiled future of their traditional island life and beloved tweed.

A beautiful debut novel set in the Outer Hebrides, *The House Between Tides* strips back layers of the past to reveal a dark mystery. In the present day, Hetty Deveraux returns to the family home of Muirlan House on a remote Hebridean island estate following the untimely death of her parents. Torn between selling the house and turning it into a hotel, Hetty undertakes urgent repairs, accidentally uncovering human remains. Who has been lying beneath the floorboards for a century? Were they murdered? Through diaries and letters she finds, Hetty discovers that the house was occupied at the turn of the century by distant relative Beatrice Blake, a young aristocratic woman recently married to renowned naturalist and painter, Theodore Blake. With socialist and suffragist leanings Beatrice is soon in conflict with her autocratic new husband, who is distant, and wrapped up in Cameron, a young man from the island. As Beatrice is also drawn to Cameron, life for them becomes dangerous, sparking a chain of events that will change many lives, leaving Hetty to assemble the jigsaw of clues piece by piece one hundred years later, as she obsessively chases the truth. In *The House Between Tides*, author Sarah Maine uses her skills as a storyteller to create an utterly compelling historical mystery set in a haunting and beautifully evoked location. 'Last night, debut author Maine dreamed of a contemporary spin on classic Gothic tropes. Orphan Hetty Deveraux has inherited a crumbling, wind-battered mansion on a remote Muirlan Island in western Scotland, "on the edge of the world." The day she arrives to inspect her new property, however, local assessor James Cameron has found a skeleton beneath the floorboards. Who is it, and how long has it been there? Abandoned since the war, the house was the refuge of Theo Blake, a Turner-esque painter-turned-mad recluse and a distant relative of Hetty's. At loose ends since the deaths of her parents, Hetty hopes restoring the house will serve as a new beginning. Meanwhile, in 1910, Theo Blake brings his new bride to Muirlan House, whose landscapes have inspired some of his most famous paintings. Maine skillfully balances a Daphne du Maurier atmosphere with a Barbara Vine-like psychological mystery as she guides the reader back and forth on these storylines. The two narrative threads are united by the theme of conservation versus exploitation: Muirlan is a habitat for several species of rare birds, threatened in the 1910 plot by Blake's determination to kill and mount them for his collection and in the 2010 story by Hetty's half-formed plans to transform Muirlan House into a luxury hotel. Local man Cameron wants to see the island

preserved as "a precious place, wild and unspoiled, a sanctuary for more than just the birds." The setting emerges as the strongest personality in this compelling story, evoking passion in the characters as fierce as the storms which always lurk on the horizon. A debut historical thriller which deftly blends classic suspense with modern themes.' Kirkus 'Muirlan Island in Scotland's Outer Hebrides provides the sensuous setting for British author Maine's impressive debut, which charts the parallel quests of two women a century apart. [...] Vivid descriptions of the island's landscape and weather enhance this beautifully crafted novel.' Publisher's Weekly 'There is an echo of Daphne du Maurier's Rebeca in Sarah Maine's appealing debut novel, when human remains are found beneath the floorboards of a derelict mansion on a Scottish island... a highly readable debut.' Independent 'A tremendous accomplishment. So assured, so well-judged, and with such an involving story to tell, this might be the author's fifth or sixth novel, not her first. A literary star is born!' Ronald Frame, author of The Lantern Bearers and Havisham
