I'm a born fighter
How I hate it on a plate
Shoe shopping,
lapping up the grooms and uppers
I don't want to have to get
Another pair of hush puppies
I keep on lookin at 47-each
But one day, I'll be laughing
With the lizards on my feet
I'm a born fighter
I've gotta wriggle for my will
now I'm a born fighter
Now I hate it on a plate

_____ The shocking, gripping autobiography from one of the UK's most infamous criminals and gang leaders, and one half of the legendary Kray Twins, Reggie Kray. Reggie Kray is one of Britain's most notorious criminals. Together with his brother Ronnie, he rose through the ranks of London's East End gangland to run an evil empire of vice and villainy. But, after half a lifetime behind bars, Reg wants to set the record straight. Here, in his own words, is the true story of his life as one half of a criminal double act with his brother Ronnie, the

chilling career of two street-wise kids who became standard-bearers of violence - from fire-bombings to shootings and cold-blooded murder. But here too is the inner voice of a one-time mobster who learned compassion through his own struggle to come to terms with a life sentence.

The inspirational story of Ruqsana Begum, who overcame prejudice and illness to become a Muay Thai world champion

Combat sports & self-defence.

Ryan Smith's soul-touching memoir chronicles the highlights and low lights of the renowned author's life, including the devastating loss of his unborn child that nearly destroyed him and his fierce road to publishing his first two books a fascinating never-before-told-in-full story of personal struggles and success in life by the man himself. Before releasing two books *Poeticman* and *Motives and Thoughts of a battered soul*, things were different for Ryan Smith. But the dark side of his early childhood/school years took its toll: his battle with depression, ADHD almost drove him to suicide. Constant battle with low self-esteem and confidence. A reckoning did not truly come until he was forced to face mortality. In this brave, driving memoir, Smith ruminates on tough circumstances, childhood, death, loss, and redemption, sharing his life story of 26 years worth of hard-earned insights. His pulsating memoir is as raw as his acclaimed writing style. It brings to a close the first chapters of a well-earned life, inspiring friends and others to follow the rhythms of their own hearts and find happiness in their lives.

"Born to Brawl: Gaining a Fighter's Edge in Business and Life" is a book about strategies for success from some of the most mentally tough people on the planet, MMA fighters,

boxers, and Jiu-Jitsu fighters. These fighters provide valuable insight into the mental aspect of training and what specific strategies help them succeed in competition. As fighters these individuals know what it takes to achieve a defined goal, and we all know what that goal is. A fighter's goal is to win the fight! Overcoming adversity, pushing through perceived limits, and finding focus are a given in the fight game where there is little room for error or second guessing. "Born to Brawl: Gaining a Fighter's Edge in Business and Life" gives its readers instruction on how to achieve the type of success champion fighters experience when they win fights. By approaching business the way a fighter approaches a fight, readers gain the edge they need to separate themselves from the pack and rise above the competition. "Born to Brawl" provides strategies on developing a champion's attitude, willpower, and mindset. Readers will be given proven systems for attaining these winning characteristics. This book will inspire people to believe they can handle any situation, and show them how to develop "A Fighter's Edge".

The Sunday Times Top Ten Bestseller. The Kray twins were Britain's most notorious gangsters. Ruling London's underworld for more than a decade, as gang lords they were among the most powerful and feared men in the city. Photographed by David Bailey and even interviewed for television, they became celebrities in their own right and are infamous to this day. Ronnie and Reg's reign of terror ended on 8 March 1969 when they were sentenced to life with the recommendation that they serve at least thirty years. Ronnie ended his days in Broadmoor – his raging insanity only controlled by massive doses of drugs. Reg served almost three decades in some of Britain's toughest jails before being released on compassionate grounds in August 2000. He died

of cancer eight months later. Compiled from a series of interviews with Fred Dinenage from behind prison walls, *Our Story* is the classic account that explodes the myths surrounding the Kray twins. In it, the twins set the record straight. In their own words they tell the full story of their brutal career of crime and their years behind bars. With an introduction from Fred Dinenage, this compelling, disturbing and highly readable book is the definitive story of two legendary criminals.

The world as we know it has come to an end, and humanity's only hope may be a man who cannot survive without the aid of a robotic suit. Fortunately, that suit is one of the most powerful weapons ever created. A military sci-fi adventure from Amazon All-Star author James David Victor Dane Williams barely survived the Exin attack and is faced with a life of pain and torment. With the help of experimental drugs and a robotic suit, he has a chance for a semi-normal life. And as a new Marine in the Mechanized Infantry Division, he has a chance to strike back at the enemy that has caused so much pain and destruction. Can Dane and his fellow Marines fight back and save humanity or is Earth heading for an extinction level event? *Metal Warrior: Born of Steel* is the first book in the *Mech Fighter* series. If you like fast-paced space adventures with engaging characters and exciting battles, you will definitely want to see how the Metal Warriors save mankind, or if they can. Mark Hunt's inspiring autobiography shows it is possible to defy the odds and carve a better life. Born into a Mormon Samoan family, Hunt details his harrowing early life, his troubled teen years, and his angry youth with no apparent future. After being plucked from an Auckland street fight and dropped into his first kickboxing bout, Mark went on to achieve unprecedented success in Australian and New Zealand combat sports. In an ongoing career that has spanned the globe, Mark Hunt has been in some of the UFC, Pride and K-1's most memorable battles. But in some ways those fights pale in comparison to that which he has overcome out of the ring and cage. As fearless with his opinions as he is in the Octagon, Mark pulls no punches in revealing the highs and lows of his extraordinary life.

Recounts the personal story and international travels of a professional fighter, from his initial discovery of his passion for fighting upon his arrival in Australia, to his training at Bangkok's legendary Fairtex gym, to his research throughout the world in search of historical and contemporary fighting disciplines. Reprint.

The name Reggie Kray remains synonymous with London's East End to this day, and yet although much is known about Reg and his brother Ronnie's life of crime in the '50s and '60s, to date precious little has been revealed about their formative years. Reggie wrote his EAST END STORIES in the early 1990s, but they haven't seen the light of day until now. In the book, he recalls the close-knit East End community in which he and his brother grew up, the characters in his family and neighbourhood, and of course, the many villains he worked with. Filled with anecdotes about the area's most outlandish personalities and notorious criminals, and offering a fascinating journey around the Krays'
