The sexy, powerful, and heroic half-demon children of the villainous Gulielmus are ready to fall. But love doesn't come easy when you're cursed by your own father. This hot and humorous paranormal bundle features one unforgettable family and five enchanting romances: A Demon in Waiting: Ariel Thomas knows smart women don't stop for hitchhikers, but for once in her regimented life, she decides to offer a gorgeous hobo a ride. John's unsophisticated charm makes Ariel swoon, and he's enthralled by her worldliness. The two fall hard and fast, but Gulielmus wants to put the skids on their cross-country love affair. A Demoness Matched: Liberated from a dangerous cult, Julia Tate needs protection from her incubus father and reclusive former baseball star Calvin Wolff's home is the perfect hideout. But Calvin has a hairy secret, too. When trouble finds them, can a werewolf and a demoness make an out-of-this-world match? A Demon in Love: Charles Edison wants to belong to someone special. But the Fates conspire to right old wrongs, and Charles learns the woman destined for him is one he shouldn't want: Marion Wilder, whose family has been on the supernatural Most Wanted List for twenty-five years. A Demon Bewitched: The last time Claude Fortier fell for a woman, Gulielmus killed her. Nearly 200 years later, Claude's lover is back . . . sort of. Gail Colvard may have been born with his sweet Laurette's soul, but her new-and-improved incarnation is a witch who isn't taking any mess - not from him, and not from dear old dad, either. An Angel Fallen: Mark Mayer gives up being an angel to chase after his would-be beloved, a werewolf who's gone feral because she won't settle with a mate. He's certain that trading his halo and wings for a mortal life with Sweetie is worth it—but convincing one stubborn werewolf that together they can find heaven on earth just might take a Christmas miracle.

Aquaponics is a method of growing fish and vegetables in a simple recirculating system. This book is designed and written to provide basic information and direction for people interested in building a backyard aquaponics system. It is NOT a "how-to" manual listing parts and with step-by-step procedures, but it's more like a conversation that you might have with a good friend about how he built his system. It is written to be easily understandable and includes lots of pictures and graphics. NOTE: This 5.5"x8.5" version contains the same information as the first edition however the physical size has been substantially reduced.

The novel pits Ted Cogan, a forty-three-year-old surgeon and self-described womanizer, against Hank Madden, a handicapped veteran detective. From the outset it's not clear who is victim and who is victimizer, as the usually dispassionate Madden grapples with his long-suppressed prejudices and his obsession with bringing Ted Cogan to justice at any cost. It all leads up to the most stunning surprise ending since Scott Turow's Presumed Innocent.

This book is a legacy to our children and grandchildren..However, since they have not been incarnated on this Earth yet, it is our pleasure to share it with the reader!Dear reader, The journey you are about to embark on is of an abstruse nature. In front of you is a collection of imaginative drawings or comic strips, if you will. These visions have been summoned from the unconscious and subconscious mind of my husband. All of the drawings were drawn in a matter of minutes with both his left and right hand (both brain hemispheres) simultaneously. The surreal images appear on paper as some sort of auto-drawing, where the subject/theme/dreamscape of the drawing is not premeditated. It is drawing in the moment, while the pen is gliding over the paper..(no pencils, no erasing, no pausing to think.) Pure stream of (un)consciousness; instant mind to paper.The original drawings were created by him in black ink on white paper, to later be scanned into the computer and colored digitally by moi. It has become a collaborative work of two minds working together. The characters hidden in the book are unique, have a life and a world of their own and are inviting you to take a holiday in their realm. Lose your sense of time and urgency getting lost in reverie. Find the hidden riddles and questions each vision postulates. Get lost in a dreamworld, where the surreal and abstract reign whilst all the rules of conventional art and aesthetic are parodied. Let the characters and their environments tickle your own imagination while you watch the them live similar lives to ours: they wander, they wonder, they are confused and pensive, they get angry and fall in love, they have their own dreams within dreams...they are just like us but just a bit strange and silly. They wear their emotions and thoughts on their visages. Their appearances merge with their thoughts. Inner space and outer space are married on paper.Welcome to our world! the White Bread coup!
