The home goods market in the United States is the largest market in the world. Then why do some interior design firms thrive while others barely survive? The answer lies in one powerful little word: brand. More than a pretty logo, it involves telling the story of your distinct point of view--who you want to serve and why you do business, and it's a process that happens from the inside out. This book bridges the gap between designer and design leader and shows pros how to define, value, and communicate their vision; find clients who are a fit; and master the art of being visible. Worksheets give designers the tools to learn these strategies and apply them to their work. It also includes candid conversations with design leaders such as Barbara Barry, Rose Tarlow, Kelly Hoppen, Vicente Wolf, Christiane Lemieux, Clodagh, Martyn Lawrence Bullard, and others.

Clients are the lifeblood of any interior design firm, and a clear understanding of how to manage those clients is essential. Interior Design Clients will help entrepreneurial designers build their clientele and avoid the pitfalls that can waylay even experienced designers. Becoming a residential or commercial interior designer is not an easy undertaking, and developing strategies to gain clients' trust is the key to making client interaction as rewarding as possible. Author Tom Williams, who has run his own design firms for over thirty years, covers everything from good client, project, and time management to interview techniques and paperwork organization. Readers will find information on: marketing to clients; creating budgets; preparing presentations; client contracts and letters of agreement; ordering supplies; project management; delivery and placement; and retaining clients.

Have you ever dreamed of starting your own home-based interior design business? Have you been hesitant to put your business plans into action? This book contains all the necessary tools and success strategies you need to launch and grow your business. An experienced designer shares her experiences and advice on every aspect of setting up and running a thriving home-based interior design business. Learn how to develop a business plan, estimate your start-up costs, price your services, and stay profitable once you're in business. Read all about getting clients and referrals, outshining the competition, bidding competitively, establishing your daily schedule, organizing your business, getting paid and much more. The book is packed with worksheets, including products and services charts, a sample balance worksheet, a profit-and-loss worksheet, a cash-flow projections worksheet, a weekly accounting ledger, a vendor sale sheet, and a bid sheet.

The Business of Design debunks the myth that business sense and creative talent are mutually exclusive, showing design professionals that they can pursue their passion and turn a profit. For nearly thirty years, consultant Keith Granet has helped designers create successful businesses, from branding to billing and everything in between. Unlike other business books, The Business of Design is written and illustrated to speak to a visually thinking audience. The book covers all aspects of running a successful design business, including human resources, client management, product development, marketing, and licensing. This timely update on the tenth anniversary of the first edition includes new content on social media, working from home, and understanding and working with different generations, essential tools in today's ultracompetitive marketplace.

Thousands of interior design professionals have come to rely on The Interior Design Business Handbook for comprehensive, accessible coverage of the essential procedures, tools, and techniques necessary to manage a successful interior design business. The Fifth Edition of this essential resource has been revised to address the latest trends and changes in the field, with new and updated material on business size and structure, building a brand, client development, social networking and Internet marketing, finances, purchasing, technology and software programs, and other key areas. Complete with more than 75 sample forms and letters, this Fifth Edition is a one-stop resource for all aspects of establishing and running an interior design business--from choosing a location and managing day-to-day operations to growing a business and putting it up for sale. All of the techniques and procedures in the book are rooted in real-world experience and are used daily in successful design firms throughout the United States. Filled with valuable information for solo practices and small firms as well as larger businesses, this book is an

indispensable resource for seasoned professionals as well as interior designers who are at the start of their career.

Business essentials and marketing strategies to help your firm survive and thrive . . . As a design professional running your own small firm, you expect to wear many hats--designer, office manager, project manager--all in a day's work. But strategic marketer? No one prepared you for that! Marketing Basics for Designers is a long overdue resource for designers who need to become expert marketers fast. It provides solid practical advice on how to market your services, build your client base, and keep your customers coming back for more. You'll learn how to establish your design niche and develop your own marketing plan to reach potential clients. You'll find techniques for networking and using your contacts with other professionals. And you'll find inside tips from 30 leading designers who have had to develop their own marketing methods to survive. Positively packed with all the details you need, Marketing Basics for Designers helps you ensure your firm's future success and shows you how to:

- \* Increase your firm's visibility within your community
- \* Use past successes to generate future business
- \* Perform beyond your clients' expectations
- \* Utilize a show home to market your talents
- \* Establish competitive and appropriate prices
- \* Work successfully with other professionals
- \* And much more

If you are recently out on your own, planning to start your own practice, or already managing your own small firm, this is one of the most important books you will ever add to your professional library. Marketing Basics for Designers

What makes running a small design practice so much more challenging than working for one of the big firms? You have to attract your own clients and keep them, you're working with limited resources and personnel, and once you finally pull yourself away from your drawing board to concentrate on marketing your services, where do you begin? You can't just sit there wondering why you didn't learn more about marketing in design school. Here's a book to help you out. With a clear, no-nonsense approach, Jane D. Martin and Nancy Knoohuizen address the full range of marketing problems and solutions from the unique perspective of the small design firm. They understand that you often find yourself short of the time, money, and know-how it takes to advertise your services effectively. Drawing on their own experience as well as interviews with more than 30 successful designers, Martin and Knoohuizen show you how to overcome these limitations and develop an effective marketing campaign. This incomparable guide will help you put together your marketing campaign, map out your strategy, and attract the attention of potential clients. Not everyone is a born salesperson, but Martin and Knoohuizen let you in on trade secrets that really work and offer suggestions that will help you feel more comfortable marketing yourself. You'll learn to build relationships by effective use of referrals and word of mouth. You'll master the subtleties of clinching the deal and discover how to keep your newfound clients coming back for more. You'll also receive sound advice from those who have been there before you. Charles Gandy, B. J. Peterson, Mark Hampton, and Cheryl P. Duvall are among the illustrious designers who share their wisdom, tips, and recommendations. You'll find out how these major designers have coped with many of the same problems you face now, and you'll learn from their mistakes as well as their triumphs. Whether you're just starting out in the design business, yearning to break free and become your own boss, or trying to create growth in an established firm, Marketing Basics for Designers helps you develop a successful marketing strategy based on your own needs, capabilities, and expectations.

Get organized and streamline your workflow with this A-Z accountability system. Design is only part of an interior designer's job--you're also responsible for scheduling client meetings, conducting design surveys, creating drawings and specs, and overseeing installation. Multiply by the number of projects on your plate, and you have a recipe for overwhelming disorganization. The Interior Design Productivity Toolbox helps you juggle multiple projects with ease, with a comprehensive self-management system tailored to the needs of interior designers and decorators. Features include: Detailed checklists that highlight weak spots and warn against common pitfalls Covers residential design, contract design, specifications, and renovations Best practices for meetings, design surveys, drawings, specifications, and renovations Customizable online checklists for tracking every phase of your project Exclusive online budgeting tool for tracking product costs and associated expenses to share with your team and your clients If you need to get organized and get back to work, you need The Interior Design Productivity Toolbox.
