Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.

In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. *Higher Is Waiting* is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

Your Breakthrough Is Only a PUSH Away Today's world knows little about perseverance. This is why so few people become innovators, entrepreneurs, and world-changers. Success is bypassed, not due to a lack of opportunity, but because we don't know how to maximize the opportunities in front of us and PUSH - persevere until success happens. In her encouraging and dynamic style, Dr. Cindy Trimm inspires you to go for it. It is one thing to read about the lives of great achievers—it is another thing to join their ranks. Learn how to:

- Carry your dreams, visions, and goals "full term" and to complete fulfillment
- Exercise the power of faith to overcome the impossible and release God's supernatural purposes into your life
- Resist the temptation to 'cave' under pressure and press on even when you don't feel like it anymore
- Empower others to fulfill their divine destinies through co-laboring with them

"If you dare to believe that God has something great in store for you to do, to accomplish, or to achieve, you must be prepared to persevere in spite of your hardship, setbacks, and challenges in order to realize your dreams and accomplish your goals. This book is written to give you that extra push." —Cindy Trimm

In this personal memoir about life at 10 Downing Street, Sarah Brown shares the secrets of living behind the most famous front door in the world. Sarah gave up a successful career in business to serve the country. A passionate campaigner for women and children, she mobilised over a million people through her early adoption of Twitter. If you've ever wondered what it's like to pack for a photo call with supermodels or pause a speech in front of hundreds when the autocue fails, it's all here - from what to do when the school play clashes with a visit to the White House to what it feels like to support the man you love as he takes tough decisions to stave off global financial meltdown... Intimate, reflective, surprising and funny, *Behind the Black Door* takes us backstage to reveal what it's like to be an ordinary woman, wife and mother in extraordinary circumstances.

A shocking narration of how global multinationals make billions of dollars in profits by bribing corrupt African dictators and public officials to secure lucrative contracts in some of the most critical economic sectors in Africa. Dozens of foreign company executives have been jailed and/or fined heavily for violating the US Foreign Corrupt Practices Act and the UK Bribery Act. The book focuses on 28 corrupt leaders in sub-Saharan Africa who cozy up with company executives of some of the largest corporations in the world. Both the officials and the global conglomerates make huge amounts of money using kickbacks, bribery, and corruption while millions of Africans languish in poverty. *The Bribery Syndrome* is a compelling read.

The artistry of *QUESTIONS FOR ADA* defies words, embodying the pain, the passion, and the power of love rising from the depths of our souls. Ijeoma Umebinyuo's poetry is a flower that will blossom in the spirit of every reader as she shares her heart with raw candor. From lyrical lushness to smoky sensuality to raw truths, this tome of transforming verse is the book every woman wants to write but can't until the broken mirrors of their lives have healed. In this gifted author's own words-"I am too full of life to be half-loved." A bold celebration of womanhood.
