Providing structured self-teaching guidance, this hands-on workbook presents a variety of exercises and sample test questions that review chapter concepts and key terms. Totally revised, the Study Guide also helps students enrich their vocabularies, master frequently misspelled words, and develop language competency with bonus C.L.U.E. exercises. The Study Guide presents application exercises for all of the writing chapters in the text. Each application exercise includes special tutoring tools to help students complete the activity effectively but independently. Nearly all exercises are self-checked so that students receive immediate feedback. The Study Guide is especially helpful for students with weak language skills and for short-term, evening, or distance-learning classes. Its question-oriented format ensures better student performance on chapter tests.
