who shaped modern jazz. Drawing on photos, anecdotes, and, most important, the way he hears the music, Dyer imaginatively reconstructs scenes from the embattled lives of some of the greats: Lester Young fading away in a hotel room; Charles Mingus storming down the streets of New York on a too-small bicycle; Thelonious Monk creating his own private language on the piano. However, music is the driving force of *But Beautiful*, and wildly metaphoric prose that mirrors the quirks, eccentricity, and brilliance of each musician's style.

American church participation has plummeted in recent decades. Abuse scandals and hypocrisy hang in the air. Weekly, I talk to friends and neighbors who have left church, even as many still identify as Christians. I get what they're saying. When I consider the pain that so many have experienced in church life, the body of Christ sure seems broken. It's no wonder many don't find church to be worth it. But maybe there's more to the story. As a child, my family experienced deep crisis. I felt alone and vulnerable. Into that void, the church stepped in. I discovered a family, a people that have my back and forever changed my life. Even now, I see tangible ways the church works for the common good. The church possesses a resilient beauty that continually pushes through the brokenness. If we love Jesus, we have to eventually ask what Jesus loves. Surprising to me at times, Jesus loves the church, despite her brokenness. If we learn to see what Jesus sees, we'll discover a powerful, often untapped means towards human flourishing. No other social group offers what the church offers. Yes, the church is broken, but there's more. She's beautiful.

This short and sweet children's story shows the love and trust between a horseback rider and her horse, and what they can achieve when they work together. The bond between a girl and her horse can be a wonderful relationship. Joy Rose loves her show horse Barney, and he loves her too. They love the competition of horse shows. Together they work toward their goal of winning first place ribbons at the show. Joy Rose takes good care of Barney: grooms him, feeds him, trains him, and most importantly she loves him. She takes care of the tiniest details before the show, making sure his coat shines and his movements are smooth. Then it is their turn in front of the judges. Read this book to see if their hard work, determination, and attention to detail pay off in ring for Barney and Joy Rose.

starred review Immigrant. Socialite. Magician. Jordan Baker grows up in the most rarefied circles of 1920s American society—she has money, education, a killer golf handicap, and invitations to some of the most exclusive parties of the Jazz Age. She's also queer and Asian, a Vietnamese adoptee treated as an exotic attraction by her peers, while the most important doors remain closed to her. But the world is full of wonders: infernal pacts and dazzling illusions, lost ghosts and elemental mysteries. In all paper is fire, and Jordan can burn the cut paper heart out of a man. She just has to learn how. Nghi Vo's debut novel, *The Chosen and the Beautiful*, reinvents this classic of the American canon as a coming-of-age story full of magic, mystery, and glittering excess, and introduces a major new literary voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD "In the spirit of Julian Barnes's *Flaubert's Parrot* and Alain de Botton's *How Proust Can Change Your Life*, Mr. Dyer's *Out of Sheer Rage* keeps circling its subject in widening loops and then darting at it when you least expect it . . . a wild book."--Christopher Lehmann-Haupt, *The New York Times* Geoff Dyer was a talented young writer, full of energy and reverence for the craft, and determined to write a study of D. H. Lawrence. But he was also thinking about a novel, and about leaving Paris, and maybe moving in with his girlfriend in Rome, or perhaps traveling around for a while. *Out of Sheer Rage* is Dyer's account of his struggle to write the Lawrence book--a portrait of a man tormented, exhilarated, and exhausted. Dyer travels all over the world, grappling not only with his fascinating subject but with all the glorious distractions and needling anxieties that define the life of a writer.

Mordantly funny, thought-provoking travel essays, from the acclaimed author of *Out of Sheer Rage* and “one of our most original writers” (*New York Magazine*). This isn’t a self-help book; it’s a book about how Geoff Dyer could do with a little help. In these genre-defying tales, he travels from Amsterdam to Cambodia, Rome to Indonesia, Libya to Burning Man in the Black Rock Desert, floundering in a sea of grievances, with fleeting moments of transcendental calm his only reward for living in a perpetual state of motion. But even as he recounts his side-splitting misadventures in each of these locales, Dyer is always able to sneak up and surprise you with insight into much more serious matters. Brilliantly riffing off our expectations of external and internal journeys, Dyer welcomes the reader as a companion, a fellow perambulator in search of something and nothing at the same time.

In an unprecedented interreligious conference in November 2014, Pope Francis and four hundred religious leaders and scholars from around the world met in Rome to explore what their diverse faiths teach about marriage and "the complementarity of man and woman." This book contains the most representative presentations at that closely followed event, *Humanum: An International Interreligious Colloquium*, which included Catholic, Evangelical, Anglican, Pentecostal, Eastern Orthodox, Anabaptist, Mormon, Jewish, Muslim, Jain, Buddhist, and Hindu delegates. Contributors bring the wisdom of their various faiths and cultures to bear on this timely issue, examining, celebrating, and defending the natural union of man and woman in marriage as a universal

cornerstone of healthy families, communities and societies. With broad global representation, *Not Just Good, but Beautiful* uses fresh language and images to highlight the beauty and benefits of marriage. Contributors do not represent political parties, but speak from their religious, intellectual, and cultural knowledge and experiences.
