The camp has changed locations over the millennia, always grounding itself near the seat of Olympus as the gods move from one dominant nation to another. Thousands of demigods have called Camp Half-Blood home since that long-ago battle. You might know some of their names: Arthur. Merlin. Guinevere. Charlemagne. Joan of Arc. Napoleon. George Washington.

For generations, Camp Half-Blood had only twelve cabins—one for each major Olympian deity. The odd-numbered cabins were dedicated to the Olympic gods, the even ones to the Olympic goddesses—except for Cabin Twelve, which Dionysus took over when Hestia gave him her seat on the Council of Olympus, but that's another story.

Camp Half-Blood is a Greek demigod training facility located on the north shore of Long Island. The camp is directed by the god Dionysus, who the campers call "Mr. D," and Chiron, a Centaur who is the activities director. It is also the Greek counterpart of Camp Jupiter, a Roman camp in San Francisco, California.

Percy Jackson, a modern-day demigod, tells the stories of all the daring deeds of Perseus, Atalanta, Bellerophon, and the rest of the major Greek heroes.

A book of firsts! One epic collection containing the first book from three different New York Times #1 best-selling series by Rick Riordan. THE LIGHTNING THIEF: Zeus's master lightning bolt has been stolen and Percy Jackson is the prime suspect. He and his friends have ten days to find and return it and bring peace to a warring Mount Olympus. To succeed, Percy has come to terms with the father who abandoned him, solve the riddle of the Oracle that warns of betrayal by a friend, and unravel a treachery more powerful than the gods themselves. THE LOST

Download File PDF Camp Half Blood Confidential

HERO: Jason, Piper, and Leo find themselves at Camp Half-Blood where people won't stop talking about a curse and a camper named Percy who's gone AWOL. These three friends must rely on one another and their newfound demigod gifts as they embark on an epic quest to save Mount Olympus. THE HIDDEN ORACLE: Apollo, once the glorious god of the sun, music, and poetry, has been cast down to Earth in punishment by Zeus. Now, as awkward mortal teenager Lester Papadopoulos, he's been tasked with restoring five Oracles that have gone dark in order to regain his place on Mount Olympus. How is he supposed to accomplish that without any godly powers? He needs help, and a demigod named Percy Jackson shows him where to find it: at a training camp on Long Island called Camp Half-Blood. This primer of heroes and demigods will start readers on three unforgettable adventures. Bonus first chapters from two other amazing series promise more exciting journeys.

The trouble starts when Apollo introduces Percy and his friend Grover the satyr to the Chryseae Celedones. Three golden women--living statues--appear in front of them, and sing one blissful chord. Apollo has a concert tonight at Mount Olympus, and he needs the Celedones as his backup singers. But there should be a quartet, not a trio--one of the singers has gone rogue. It's up to Percy and Grover to find the missing Celedon somewhere in New York City before she causes any

Download File PDF Camp Half Blood Confidential

problems. Capturing an attention-seeking automaton in a crowd of mortals is going to require some cagey thinking. Will Percy and Grover succeed, or hit a sour note?

Which Greek god makes the best parent? Would you want to be one of Artemis' Hunters? Why do so many monsters go into retail? Spend a little more time in Percy Jackson's world—a place where the gods bike among us, monsters man snack bars, and each of us has the potential to become a hero. Find out:

- Why Dionysus might actually be the best director Camp Half-Blood could have
- How to recognize a monster when you see one
- Why even if we aren't facing manticores and minotaurs, reading myth can still help us deal with the scary things in our own lives

Plus, consult our glossary of people, places, and things from Greek myth: how Medusa got her snake hair extensions, why Chiron isn't into partying and paintball like the rest of his centaur family, and the whole story on Percy's mythical namesake.

Fans of The Kane Chronicles series will adore this gorgeous primer on the people, places, gods, and creatures found in Rick Riordan's #1 New York Times bestselling series. Featuring enough information and extras to satisfy avid followers and budding Egyptologists alike, this lavishly illustrated guide will cast a spell on readers of all ages.
