The Cancer Solution reveals a scientific, clinically proven natural therapy for healing cancer and creating optimal health. It is also the secret that both the American pharmaceutical industry and the medical establishment don't want you to know. That's because this powerful and effective program for virtually all forms of cancer threatens the livelihood and the trillion-dollar earnings of the pharmaceutical and health care industries-not to mention the medical centers and physicians that make a great living from providing expensive drugs, complex medical procedures and long hospital stays. The information you will discover in this book represents the biggest threat to the revenues of the pharmaceutical and medical industries-a bigger threat than all the alternative healing therapies, nutritional supplements and natural products COMBINED. Indeed, nearly everything the system is telling you about cancer is outdated and potentially dangerous. But please understand, it's not that physicians are uncaring, the system is trying to treat diseases of lifestyle with drugs and exceptionalism (that is, many chemotherapy drugs are exempt from placebo control in clinical trials) which just doesn't make any sense. The current cancer epidemic is a direct result of the poisoning of the planet and our frenetic, sedentary, junk food, nutrient poor, fast-food lifestyle. And we don't really have a Health Care
