buying a new car, there is certainly a lot of desire to go through with the purchase as soon as possible in order to start having fun with the car. However, it is important to take a step back and to go into the whole process of buying a car with the right knowledge in order to not fall prey to the sleazy salesmen who are more interested in closing the deal as opposed to the best interest of the customer. Even after the car is purchased, there are lots of things that have to be taken into consideration so that the car doesn't end up being more trouble than it's worth due to the car not working appropriately during inopportune times or due to spending way too much on the gas. However, by having the right knowledge from the start, you can see to it that your car remains in its best shape for as long as possible. You can expect to learn about: -How to inspect a car before buying -How not to fall for tricks of the salespeople -How to
