Use Reading Comprehension and Skills to help students in grade 2 develop a strong foundation of reading basics so that they will become competent readers who can advance to more-challenging texts. This 128-page book encourages vocabulary development and reinforces reading comprehension. It includes engaging grade-appropriate passages and stories about a variety of subjects, reproducible and perforated skill practice pages, 96 cut-apart flash cards, answer keys, and an award certificate.

A workbook offering sample questions and tests, designed to help students become familiar with test formats and content.

Spectrum Math for grade 4 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers multiplication, division, fractions, geometric figures, and preparing for algebra. A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet—and surpass—learning goals. And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

Help your child hit new heights in test-taking with Spectrum Test Practice for grade 5. Aligned to current state standards, this workbook gets kids ready using practice tests, online exercises, tips, examples, and answer sheets genuine to the real math and language arts assessments. By providing an authentic test experience, you're helping your child build the

skills and confidence to exceed assessment expectations. Spectrum Test Practice provides everything kids need to take on testing—including online practice pages, customized by state and grade-level.

It's been three miserable months since 13-year-old Chris Barton lost his little sister, Molly. "Missing, presumed drowned" was what the paper said, and surely that is what everyone believes. After all, the Bartons had been picnicking by the river when Molly disappeared. One night, Chris views a video he made the day Molly was lost. There doesn't seem to be anything unusual here: a rest stop, lunch by the river, a hungry squirrel, a familiar ice cream van. But the video harbors an awful secret. In the middle of the night, Christ Barton wakes from fitful sleep—and begins a journey filled with fear, doubt, and impossible hopes.

A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! Organized by specific reading skills, this book is designed to enhance students' reading comprehension. Lively reading passages present high-

From its first issue in April, 1970, the National Lampoon blazed like a comet, defining comedy as we know it today. To create *Drunk Stoned Brilliant Dead*, former Lampoon illustrator Rick Meyerowitz selected the funniest material from the magazine and sought out the survivors of its first electrifying decade to gather their most revealing and outrageous stories. The result is a mind-boggling tour through the early days of an institution whose alumni left their fingerprints all over popular culture: Animal House,

Caddyshack, Saturday Night Live, Ghostbusters, SCTV, Spinal Tap, In Living Color, Ren & Stimpy, The Simpsons—even Sesame Street counts a few Lamponers among its ranks. Long before there was The Onion and Comedy Central news shows, there was the National Lampoon, setting the bar in comedy impossibly high! A very similar title, differing only in the subtitle, was used for the 2015 documentary film, *Drunk Stoned Brilliant Dead: The Story of the National Lampoon*, for which Rick Meyerowitz designed the poster, as he also did for the 1978 film *National Lampoon's Animal House*. Praise for the documentary *Drunk Stoned Brilliant Dead (2015)*: This film looks longingly back at the 1970s when a smart, tasteless joke could make you laugh out loud without worrying about hurting someone's feelings or being attacked on social media. —The New York Times It all looks like more fun than you or I will ever have in our lives, and Chevy Chase and Ivan Reitman are on hand to tell some of the stories. —Hollywood Reporter
