Edited by Abel Debritto, the definitive collection of poems from an influential writer whose transgressive legacy and raw, funny, and acutely observant writing has left an enduring mark on modern culture. Few writers have so brilliantly and poignantly conjured the desperation and absurdity of ordinary life as Charles Bukowski. Resonant with his powerful, perceptive voice, his visceral, hilarious, and transcendent poetry speaks to us as forcefully today as when it was written. Encompassing a wide range of subjects/from love to death and sex to writing/Bukowski's unvarnished and self-deprecating verse illuminates the deepest and most enduring concerns of the human condition while remaining sharply aware of the day to day. With his acute eye for the ridiculous and the troubled, Bukowski speaks to the deepest longings and strangest predilections of the human experience. Gloomy yet hopeful, this is tough, unrelenting poetry touched by grace. This is Essential Bukowski.

War All the Time is a selection of poetry from the early 1980s. Charles Bukowski shows that he is still as pure as ever but he has evolved into a slightly happier man that has found some fame and love. These poems show how he grapples with his past and future colliding.

Betting on the Muse is a combination of hilarious poetry and stories. Charles Bukowski writes about the real life of a working man and all that comes with it.

To his legions of fans, Charles Bukowski was|and remains|the quintessential counterculture icon. A hard-drinking wild man of literature and a stubborn outsider to the poetry world, he wrote unflinchingly about booze, work, and women, in raw, street-tough poems whose truth has struck a chord with generations of readers. Edited by John Martin, the legendary publisher of Black Sparrow Press and a close friend of Bukowski's, The Pleasures of the Damned is a selection of the best works from Bukowski's long poetic career, including the last of his never-before-collected poems. Celebrating the full range of the poet's extraordinary and surprising sensibility, and his uncompromising linguistic brilliance, these poems cover a rich lifetime of experiences and speak to Bukowski's ||immense intelligence, the caring heart that saw through the sham of our pretenses and had pity on our human condition|| (New York Quarterly). The Pleasures of the Damned is an astonishing poetic treasure trove, essential reading for both longtime fans and those just discovering this unique and legendary American voice.

There is not a wasted word in Dangling in the Tournefortia, a selection of poems full of wit, struggles, perception, and simplicity. Charles Bukowski writes of women, gambling and booze while his words remain honest and pure.

Recounts the life of Henry Chinaski, an indolent blue-collar intellectual, and his male and female friends, in a series of poems and stories

These 189 posthumously published new poems take us deeper into the raw, wild vein of Bukowski's that extends from the early 1980s up to the time of his death in 1994.

A raw and tenderly funny look at the human-cat relationship, from one of our most treasured and transgressive writers. ||The cat is the beautiful devil|| Felines touched a vulnerable spot in Charles Bukowski's crusty soul. For the writer, there was something majestic and elemental about these inscrutable creatures he admired, sentient beings whose searing gaze could penetrate deep into our being. Bukowski considered cats to be unique forces of nature, elusive emissaries of beauty and love. On Cats offers Bukowski's musings on these beloved animals and their toughness and resiliency. He honors them as fighters, hunters, survivors who command awe and respect as they grip tightly onto the world around them: ||A cat is only ITSELF, representative of the strong forces of life that won't let go.|| Funny, moving, tough, and caring, On Cats brings together the acclaimed writer's reflections on these animals he so admired. Bukowski's cats are fierce and demanding|he captures them stalking their prey; crawling across his typewritten pages; waking him up with claws across the face. But they are also affectionate and giving, sources of inspiration and gentle, insistent care. Poignant yet free of treacle, On Cats is an illuminating portrait of this one-of-a-kind artist and his unique view of the world, witnessed through his relationship with the animals he considered his most profound teachers.

A classic in the Bukowski poetry canon, Love Is a Dog from Hell is a raw, lyrical, exploration of the exigencies, heartbreaks, and limits of love.
