From the author of Persepolis, comes this illustrated fairy tale. Rose is one of three daughters of a rich merchant who always brings gifts for his girls from the market. One day Rose asks for the seed of a blue bean, but he fails to find one for her. She lets out a sigh in resignation, and her sigh attracts the Sigh, a mysterious being that brings the seed she desired to the merchant. Persepolis is the story of Marjane Satrapi's childhood and coming of age within a large and loving family in Tehran during the Islamic Revolution; of the contradictions between private life and public life in a country plagued by political upheaval; of her high school years in Vienna facing the trails of adolescence far from her family; of her homecoming--both sweet and terrible; and, finally, of her self-imposed exile from her beloved homeland.

This book publishes, for the first time in full, the two most revealing of Mark Twain ' s private writings. Here he turns his mind to the daily life he shared with his wife Livy, their three daughters, a great many servants, and an imposing array of pets. These first-hand accounts display this gifted and loving family in the period of its flourishing. Mark Twain began to write "A Family Sketch" in response to the early death of his eldest daughter, Susy, but the manuscript grew under his hands to become an exuberant account of the entire household. His record of the childrens ' sayings—"Small Foolishnesses"—is next, followed by the related manuscript "At the Farm." Also included are selections from Livy ' s 1885 diary and an authoritative edition of Susy ' s biography of her father, written when she was a teenager. Newly edited from the original manuscripts, this anthology is a unique record of a fascinating family.

A beautifully drawn graphic novel that illuminates the conflicted land of Kashmir, through a young boy ' s childhood.

The Story of a Childhood and The Story of a Return The intelligent and outspoken child of radical Marxists, and the great-granddaughter of Iran's last emperor, Satrapi bears witness to a childhood uniquely entwined with the history of her country. Persepolis paints an unforgettable portrait of daily life in Iran and of the bewildering contradictions between home life and public life. This is a beautiful and intimate story full of tragedy and humour - raw, honest and incredibly illuminating.
