Real Communication uses stories from real people and the world around us to present the best and most lively introduction to communication concepts. Professors and students alike have fallen in love with Real Communication's down-to-earth writing style, its coverage of research, and its wealth of learning and teaching tools. They also appreciate how Real Communication strives to weave the discipline's different strands together with the CONNECT feature that shows students how concepts work and apply across interpersonal, small group, and public speaking contexts. The Second Edition is even better with a broader array of engaging examples, new coverage of hot topics in the field like Intercultural and mediated communication, plus a public speaking unit honed to provide the essential information students need for this fast-paced course. Whether you want a traditional paperback, an e-Book — online or downloadable to a device — a looseleaf edition, or the book within the new HumanCommClass, Real Communication has an option for you. Read the preface.

Communication Matters helps students move beyond an intuitive appreciation of communication to explore core principles of the discipline. By helping students take personal responsibility for their communication behaviors, by encouraging critical reflection, and by actively applying the key concepts to diverse contemporary challenges, the program fosters an understanding of the many important ways communication matters in daily life.

A longtime favorite with millions of readers, LOOKING OUT, LOOKING IN, 15th Edition maintains its market-leading tradition of linking the latest research and theory to learners' everyday lives. Its accessible approach motivates readers to learn and apply communication principles in both personal relationships and on the job. Expanded emphasis on social media includes an all-new chapter devoted to the role of mediated communication in interpersonal relationships as well as integrated coverage throughout the book. In addition, diverse examples, new readings, compelling cartoons, lively photos, and popular culture references bring principles to life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Choices & Connections shows students that communication is an opportunity to connect their words and actions to their choice of who they want to be and what kind of community they want to live in. Every element in the text is designed to engage students in the study of communication and help them become resilient, confident, and culturally conscious communicators. Choices & Connections helps students integrate and apply the most current scholarly research through scenario activities, real-life situations, and pop-culture examples designed to recursively develop communication skills best learned through practice, in context. The third edition has been extensively revised to ensure that all students' perspectives are represented. The coverage of gender communication has been overhauled, with a reimagined Chapter 3 on "Understanding Gender and Culture." The mediated communication chapter has also been heavily revised with the latest research.

The 11th edition of Communicating at Work enhances the strategic approach, real-world practicality, and reader-friendly voice that have made this text the market leader for three decades. On every page, students learn how to communicate in ways that enhance their own career success and help their organization operate effectively. This edition retains the hallmark features that have been praised by faculty and students--a strong emphasis on ethical communication and cultural diversity, discussions of evolving communication technologies, and self-assessment tools--while incorporating important updates and ground-breaking digital teaching and learning tools to help students better connect to the course material and apply it to real world business situations.

Updated in its eleventh edition, *The Media of Mass Communication* engages readers in the pursuit of greater media literacy and provides accessible insight into the important issues that confront students as consumers and purveyors of mass media. Through exceptional coverage of contemporary media issues and trends, including the on-going transformations in mass media, this text balances the principles and foundations of media literacy with lively examples, streamlined coverage, and a robust media package.

Written by leading scholar and award-winning teacher Julia T. Wood, *INTERPERSONAL COMMUNICATION: EVERYDAY ENCOUNTERS*, 8e relates theory and skills directly to students' everyday interactions as it delivers a solid introduction to interpersonal communication. Completely up to date, the new Eighth Edition integrates the latest communication research, including findings from more than 125 new sources. Reflecting the author's expertise in gender and social diversity, the text includes an unparalleled focus on diversity. The new edition also features increased coverage of social media and an expanded emphasis on ethical choices. It addresses such timely issues as emotional intelligence and forgiveness, interracial relationships, safe sex, ways to deal with abuse from intimates, race-related differences between conflict styles, and the power of language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Engages students with lively and accessible insights into interpersonal skill development *Interpersonal Messages* creates a foundation for students to understand the concepts of interpersonal communication and to develop the necessary skills to apply what they have learned through comprehensive coverage, exercises, and real life examples. With a focus on skill-building, this text helps today's students understand how to master interpersonal communication and relationship skills in every area of their personal, social, and professional lives. The rise of the Information Age, the fall of the traditional media, and the bewildering explosion of personal information services are all connected to the historical chain of communications' revolutions. We need to understand these revolutions because they influence our present and future as much as any other trend in history. And we need to understand them not simply on a national basis - an unstable foundation for history in any event - but rather as part of the emergent global communications network. Unlike most of the current texts in the field, *Revolutions in Communication* is an up-to-date resource, expanding upon contemporary scholarship. It provides students and teachers with detailed sidebars about key figures, technical innovations, global trends, and social movements, as well as supplemental reading materials, and a fully supportive companion website. *Revolutions in Communication* is an authoritative introduction to the history of all branches of media.

A brief text with a strong focus on skill development *Essentials of Human Communication* shows how human communication skills apply to the real-world and the workplace. The text presents the fundamental skills of interpersonal, small group, and public communication while emphasizing human communication skills, cultural awareness, listening, critical thinking, ethics, and social media communication. MyCommunicationLab is an integral part of the DeVito program. Key learning applications include MediaShare, an eText, and a study plan. A better teaching and learning experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning— MyCommunicationLab is online learning. MyCommunicationLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking— Critical thinking principles are integrated into the text and in the marginal questions, self-tests, and boxes. Engage Students—Real-world examples appear throughout the text. Apply Ethics—Real-life ethical issues are discussed.
