The scope of LNCS, including its subseries LNAI and LNBI, spans the

whole range of computer science and information technology including interdisciplinary topics in a variety of application fields. In parallel to the printed book, each new volume is published electronically in LNCS Online.

Critical Thinking, Reading, and Writing is a compact but complete guide to critical thinking and argumentation. Comprising the text portion of the widely adopted Current Issues and Enduring Questions, it draws on the authors' dual expertise in effective persuasive writing and comprehensive rhetorical strategies to help students move from critical thinking to argumentative and researched writing. This extraordinarily versatile text includes comprehensive coverage of classic and contemporary approaches to argument, from Aristotelian to Toulmin, to a new chapter on rhetorical analysis of pop culture texts, as well as 35 readings (including e-Pages that allow students to take advantage of working with multimodal arguments on the Web), and a casebook on the state and the individual. This affordable guide can stand alone or supplement a larger anthology of readings.

Thomas Sowell takes aim at a range of legal, social, racial, educational, and economic issues in this latest collection of his controversial, never boring, always thought-provoking essays. From "gun control myths" to "mealy mouth media" to "free lunch medicine," Sowell gets to the heart of the matters we all care about with his characteristically unsparing candor.

One of conservatism's most articulate voices dissects today's most important economic, racial, political, education, legal, and social issues, sharing his entertaining and thought-provoking insights on a wide range of contentious subjects. -- "This book contains an abundance of wisdom on a large

number of economic issues." -- Mises Review

"Terrifying... Eloquent... A heart-rending drama of human vearning." -- New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991. McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name. Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the dries and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of highrisk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté pretensions, and hubris. He is said

to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Addressed to the Inhabitants of America, on the Following Interesting Subjects, viz.: I. Of the Origin and Design of Government in General, with Concise Remarks on the English Constitution. II. Of Monarchy and Hereditary Succession. III. Thoughts on the Present State of American Affairs. IV. Of the Present Ability of America, with some Miscellaneous Reflections
