I vow. I crave. I give in. I used to be a nice, normal girl. I had dreams. Good, happy dreams of a white picket fence, 2.5 kids, and a fairytale love that lasts forever. Nobody ever warned me that sometimes, the prince dies three weeks before the wedding. Like any addict, I swear this time is the last!. Now, I go through my days, a shadow of my former self. I pretend I'm okay, and the people in my life pretend to believe me. But, sometimes, when I can no longer stand the craving, I roam an underground sex club looking for my next hit. It's dirty and wrong, but I can't stop, and my only line of defense between them and me, is the rules I've designed to keep me safe. Men always abide by my rules. Until I meet him. And, like any addict, I'm wrong. I don't question the instincts that tell me to run. One look at him, standing there, power radiating off him in waves, tells me all I need to know. He will make me crave those happy dreams I've left behind. And that is not an option.

One night in a moment of sheer madness I confessed my secrets to him. All my life I've been pretending. Pretending to be the woman I thought I should be instead of the woman I really am. I've been faking it and I am good. No one has ever guessed. Except him. He just looked at me and knew. Chad Fellows is not the man I want, but he's fast becoming the man I need. One night in a moment of sheer madness I held her in my arms and let her cry. I did the right thing, letting her walk away, no matter how much she calls to the part of me that wants to rescue her. We are nothing alike, and she's a mess of complications in a life I'm trying to keep simple. But then I touched her and made her tremble and now I can't turn away. Ruby Stiles is not the woman I want, but she's fast becoming the woman I need.

When Greyson Archer tosses a twenty on the stage of a strip club, the last thing he expects to see are the haunted green eyes staring at him. Finley should be home raising her infant daughter and baking cookies, not tucking singles into her G-string and giving lap dances. Greyson can't deny that he'd like his own private show, but there's not a chance in hell of that happening. The last time the former Navy SEAL saw her she was dressed in black, holding a folded flag and sobbing that it was all his fault... and he agreed with every single word. He couldn't do anything to help her then, but he can now. Finley deserves better than this dingy club, and when an obsessed customer crosses the line, Greyson leads the rescue and will do whatever it takes to make amends for their broken past. He never expected to want to settle down, but with Finley, everything is different. For the first time ever, he can breathe. But Greyson will have to fight for what he wants in order to keep the woman with the green eyes he's dreamed about so often. SLOW & STEADY is the second in the Alphas Undone series, but can be read as a standalone novel.

From the New York Times bestselling author who Gena Showalter calls "decadently sinful" comes a forbidden romance in the beloved Demonica series. As the only female Seminus demon ever born, master assassin Sinead Donnelly is used to being treated like an outcast. She spent decades enslaved, and now vows she'll die before she'll relinquish her freedom again. Then Sin's innate ability to kill her enemies goes awry: She creates a lethal new werewolf virus that sparks a firestorm of panic and violence. Half-werewolf, half-vampire Conall Dearthul is charged with bringing in Sin to face punishment for the plague. And she's no stranger: He's bound to her by blood, and the one sexual encounter they shared has left him hungering for her raw sensuality. Worse, Sin is the underworld's most wanted and Con soon learns he's the only one who can help her . . . and that saving her life might mean sacrificing his own.

New York Times bestselling author Monica Murphy launches her sexy Billionaire Bachelors Club series with a lavish bet, a night of carnal desires, and a forever that never seemed possible. Billionaire Archer Bancroft always gets what he wants—and he's wanted Ivy Emerson, his best friend's sister, for far too long. Being forbidden and untouchable only makes her more tempting. When a million-dollar bet with his friends throws down a challenge—the last bachelor standing takes all—Archer knows he can win. That is, until one enchanted evening with Ivy takes his heart for a ride. Ivy knows Archer is nothing but bad news: infuriating, arrogant . . . and completely intoxicating. But despite her best efforts, she can't seem to keep away. When a stolen kiss leads to a night of heated passion, Ivy realizes she's in trouble and in head over heels. But in the light of day, everything seems clearer, and Archer's not so sure a one-night stand is all he wants. Concocting a plan to keep Ivy by his side, Archer might just be willing to lose this bet . . . and win the jackpot instead. An Avon Romance

Red-hot and funny . . . A sexy, sweet treat . . . Readers will find this an incredibly rewarding journey. Publishers Weekly With her professional reputation in tatters—and her boss in jail!Sophie Kincaid has no choice but to move to small-town Revival, Illinois, until the dust settles. Her best friends have arranged a job and a house for her, and for six months, she's pretty sure she can handle anything—even her new landlord and neighbor, Ryder Moore. A magnetic 6'4" deputy sheriff, Ryder's good looks and habit of flirting with intent to seduce are an infuriating distraction—and to Sophie's alarm, an undeniable temptation. Ryder knows Sophie's type—identified city girl—and it's not one of his favorites. Add in her snarky sass and her propensity for trouble and she's not exactly his ideal tenant. But something about the curvy little blonde fires Ryder's imagination, not to mention his desire. Soon enough their verbal sparring seems like a prelude to something much more physical—and far more pleasurable. Is love right around the corner—or just right next door? Praise for Jennifer Dawson's As Good as New Dawson captures the small romantic moments that make a relationship work. Publishers Weekly, starred review Dawson doesn't disappoint with the fourth sizzling addition to her A Something New series . . . Readers will fly through Dawson's latest sexy and fun novel. After spending my thirtieth birthday with my parents, and drowning my sorrows in a bottle of tequila and splash of margarita mix, I know something has to change. All I want is a little excitement, one chance to go wild before I settle back into my regularly scheduled life. Fueled by liquid courage, I set about giving myself the perfect gift, my bad-boy neighbor, firefighter Lukas Marlow. Sure, I like an intoxicated girl looking to turn her fantasies into reality as much as the next man, but this is sweet little Abby Simmons and on the do-not-touch list. Since I'm a nice guy and refuse to take advantage of her, I offer a compromise to her unexpected offer. Sleep it off, and if she hasn't changed her mind in the light of day, I'll fulfill all her dirty desires. Seemed reasonable, I mean, she's such a good girl it's not like she'll ever take me on it. My plan is perfect... until right about the time she emails me her sexual to-do list. **Please note: This book has been previously published under my original pen name, Julia Devlin. It has been edited and updated, but the general story has remained unchanged.**

"An author to watch out for." RT Book Reviews In high school, they'd burned fast and hot. Now is their chance to find out if the sparks that linger will ignite a whole new flame. Ten years later, Darcy is the ultimate New Yorker, writing a sex blog and living on designer cocktails and the pulse of urban life. That is, until she hears that Revival plans to seize her mother's house right after the holidays, thanks to the new mayor—who is none other than Darcy's ex...
