Choose the right carer — decide on the best person to get you and your partner through the pregnancy and birth Prepare for the big event — learn how to bea great birth partner and help your partner through labour Keep your baby safe and sound — discover how to care for a newborn Find support for yourself — work out who you can turn to for help Open the book and find: What to do when conception doesn't happen How to play an involved and active part in your partner's pregnancy Secrets for keeping your pregnant partner happy and healthy Information on your role during labour Advice on bringing your newborn home Lists of essential gadgets for babies (and dads)

Congrats: You're going to be a dad! Now what? Dude, relax; you're going to be fine. But it wouldn't hurt to get a few pointers—a road map of what lies ahead. That's what this book is for. From Dude to Dad gives you the need-to-know essentials on pregnancy, birthing, and parenthood, and how it's okay to be scared out of your mind. You'll learn what the expecting mom is going through during each trimester, how you can be the best partner and dad-to-be, and how to immediately start bonding with baby. Be prepared for the arrival that will ultimately change your life in the best way possible.

The male equivalent of WHAT TO EXPECT WHEN YOU'RE EXPECTING for today's engaged, thoughtful, and totally supportive first-time fathers, written by ex-commando, father of three, and author of COMMANDO DAD Neil Sinclair. The book looks and reads like a basic training military manual and is full of practical advice on everything from prenatal care to the changes the mother experiences in each trimester.

The viral video star behind Dude Dad offers a humorous and heartfelt guide to helping expectant fathers survive and thrive during the wild ride that is forty weeks of pregnancy. Numerous apps and books exist to help expectant parents understand their baby's development by comparing their unborn child to a raspberry or a stalk of broccoli, but Taylor Calmus takes issue with that. First off, your baby is not some wimpy little vegetable. Your baby is a hardcore little lug nut who is straight-up growing organs on a weekly basis. Second, how big is a stalk of broccoli? And what the heck is a kumquat? Clearly this situation calls for a better approach. Enter . . . A Dude's Guide to Baby Size. • At week nine, your little shredder resembles the circumference of a guitar pick. • At week twenty-four, your budding jalapen'o is the size of some concession-stand nachos. • By week thirty-four, your little lopper is now the size of a sixteen-inch largemouth bass that weighs four to five pounds! This book is full of fun facts about your growing baby, advice on how to help Mom-to-be, as well as ideas and encouragement for you on your journey from Dude to Dude Dad. Buckle up for a wild ride full of maternity metaphors, gnarly playlists for all the special occasions, new parenting tales, dos and don'ts for expecting dads, and even an entire chapter dedicated to beef brisket!

Featuring new information on natural therapies and having babies later in life Packed with comprehensive information, this updated and expanded second edition takes you through all the stages of pregnancy from conception to birth to taking your baby home. An easy-to-use format and practical approach make this book an invaluable reference for parents-to-be. Discover how to: Follow your baby's development Select the right doctor or midwife and place of birth Stay fit and active during pregnancy Eat well and rest for your and baby's health Learn about labour and birth

This indispensable book explores the emotional, financial, and even physical changes the father-to-be may experience during his partners pregnancy. Written in an easy-to-absorb format and filled with sound advice and practical tips for men on such topics as how to make sense of your conflicting emotions, how pregnancy affects your sex life, and how to start a college fund, this volume reassures, commiserates, and informs. It also incorporates the wisdom of top experts in the field, from obstetricians and birth-class instructors to psychologists and sociologists. This new edition features the latest research on many topics, from the reasons for premature birth to nutritional supplements. The finances section has been updated; advice for expectant adoptive fathers has been added throughout; information for fathers expecting twins and other multiples is included; and the resources section and bibliography have been considerably expanded. Illustrated throughout with New Yorker-style cartoons that will make even the most anxious father chuckle, this book is the essential reference for all expectant couples.

Being a great first-time dad doesn't mean being perfect. It means having the tools you need to be a supportive partner during and after pregnancy--which is exactly what We're Pregnant! The First-Time Dad's Pregnancy Handbook is all about. From heartburn and headaches to birth and breastfeeding, We're Pregnant! features practical, action-oriented pregnancy advice from the author of the Dad or Alive blog, Adrian Kulp, a (once clueless) dad who's been there and done that--three times, in fact!
