Dark Flame ist der vierte Teil in der Immortals-Reihe von Alyson Noel. Und wahrscheinlich ist es der langweiligste von allen. Die Geschichte, die eigentlich nicht schlecht ist, ist sehr langatmig erzählt und eigentlich wird es erst im letzten Drittel wieder spannend. Den Teil dazwischen hätte man auch kurz in ein bis zwei Kapiteln abhandeln können. Im Vergleich zu anderen Büchern dieses ...

Dark Flame is the fourth book of the Immortals series by Alyson Noel.

"Dreams and reality bleed into each other in this dangerous and edgy romance!" –Justine magazine Fate has bound them together—and torn them apart. Now, in Horizon, Daire and Dace face one final fight that will seal their destiny forever. Daire Santos is the last of the Soul Seekers, and the only thing standing between the Richters and the destruction of everyone she loves. With her grandmother gone and Cade back in Enchantment, Daire must finally step into her destiny and lead the fight against the Richters. But what if that means sacrificing the person she loves most? Bound to the Richters by blood, Dace struggles against the darkness growing inside him that threatens to claim Daire too. Though Daire refuses to give up on him, the choice may not be hers. An epic battle is on the horizon and the end of the world looms near. With such insurmountable odds stacked against them, is their love really enough to conquer all? Also available: The Soul Seekers Books 1, 2 and 3 (Fated, Echo and Mystic) from bestselling author Alyson Noël.

Their epic love story has captured the hearts of millions and enchanted readers across the world. Everlasting is the beautiful finale to Alyson Noël's bestselling Immortals series, in which their journey draws to a spectacular conclusion—where all will be revealed. Their darkest enemies now defeated, Damen and Ever are free to embark upon their final quest—to free Damen from the poison lingering in his body. If they can just find the antidote, they'll finally be able to feel each other's touch—and experience the passionate night they've been longing for. But their fight to be together will lead them into the most formidable terrain yet...into the dark heart of Summerland. Here in a land of scorched earth and endless rain, Ever and Damen will discover their relationship's hidden origins, expose a secret history they never imagined...and come face to face with the true reason fate keeps tearing them apart. Only then, when the final mystery is unraveled and the last secret revealed, Ever and Damen's future will hinge on one ultimate decision that will put everything at stake...even eternity.

Mind control is a tool that one can use for good or evil purposes. It all depends on the type of mind control that is involved and the intent of the individual who wants to apply it. It also depends on whether the target or subject of mind control will benefit from it or is harmed. Nonetheless, mind control is a very intriguing and fascinating topic. The majority of us use some form of mind control such as persuasion or manipulation in our everyday lives to get what we want from others and to achieve our goals. Some of us even have used the mind control technique of self hypnosis on ourselves for self improvement in the areas of weight loss, reducing stress levels, or eradicating bad habits such as smoking from our lives. Mind control is a vast subject that has many components and factors to it and to get the proper understanding of it and the many techniques that are involved, it must be examined and explored in great detail. In his book entitled Banned Mind Control Techniques Unleashed author Daniel Smith covers in detail Mind Control and its associated techniques that are literally hidden away from the general public. You will learn about the dark secrets of hypnosis, manipulation, deception, persuasion, brainwashing and human psychology. After reading this book you will have a deeper understanding of mind control and its core principles. You will also have the information that you need to use mind control on others or stop others from using mind control on you!

Alyson's Noël's bestselling Immortals series has been hailed as "addictive" "beautiful" "haunting" and "mesmerizing." In the second installment, Blue Moon, Ever can bring her family back from the dead—but only if she's willing to sacrifice the guy she loves more than life itself. Just as Ever is learning everything she can about her new abilities as an immortal, initiated into the dark, seductive world by her beloved Damen, something terrible is happening to him. As Ever's powers are increasing, Damen's are fading—stricken by a mysterious illness that threatens his memory, his identity, his life. Desperate to save him, Ever travels to the mystical dimension of Summerland, uncovering not only the secrets of Damen's past—the brutal, tortured history he hoped to keep hidden—but also an ancient text revealing the workings of time. With the approaching blue moon heralding her only window for travel, Ever is forced to decide between turning back the clock and saving her family from the accident that claimed them—or staying in the present and saving Damen, who grows weaker each day...

A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.

Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

In Dark Flame, Alyson Noël's most darkly seductive Immortals novel yet, Ever fights for control of her body, her soul—and the timeless true love she's been chasing for centuries. Ever is trying to help Haven transition into life as an immortal. But with Haven drunk on her new powers and acting recklessly, she poses the ultimate threat—exposing their secret world to the outside. As Ever struggles to keep the Immortals hidden, it only propels Haven closer to the enemy—Roman and his evil companions At the same time, Ever delves deeper into dark magic to free Damen from Roman's power. But when her spell backfires, it binds her to the one guy who's hell-bent on her destruction. Now there's a strange, foreign pulse coursing through her, and no matter what she does, she can't stop thinking about Roman—and longing for his touch. As she struggles to resist the fiery attraction threatening to consume her, Roman is more than willing to take advantage of her weakened state...and Ever edges closer and closer to surrender. Frantic to break the spell before its too late, Ever turns to Jude for help, risking everything she knows and loves to save herself—and her future with Damen ...

Hired to exhume two-hundred-year-old graves in the wake of a land dispute, Anita Blake becomes involved in local murders involving three dead teenagers and a bloodless corpse that makes her suspect that an evil force is preying upon the town

Part of the seminal Cambridge History of Music series, this volume departs from standard histories of early modern Western music in two important ways. First, it considers music as something primarily experienced by people in their daily lives, whether as musicians or listeners, and as something that happened in particular locations, and different intellectual and ideological contexts, rather than as a story of genres, individual counties, and composers and their works. Second, by constraining discussion within the limits of a 100-year timespan, the music culture of the sixteenth century is freed from its conventional (and tenuous) absorption within the abstraction of 'the Renaissance', and is understood in terms of recent developments in the broader narrative of this turbulent period of European history. Both an original take on a well-known period in early music and a key work of reference for scholars, this volume makes an important contribution to the history of music.

Here is a classic Chinese text on the Taoist arts of longevity and immortality. The text dates from the Five Dynasties (907960 C. E.) and is attributed to Chungli Ch'uan and Lü Tung-pin—two of the most popular figures of Taoism and Chinese culture. This text focuses on Taoist inner alchemy, a theory and method for transforming the mind from within by using practices such as breath control, calisthenics, meditation practices, and sexual alchemy (the method of gathering energy from a sexual partner). The teachings address the following topics: • The nature of immortality and how it can be attained by realizing the laws of the Tao within us • The art of health • The art of longevity • How to deal with obstacles and recognize spiritual progress The Art of Health, Longevity, and Immortality will be of interest to both beginning students of Taoism and scholars. Wong's introduction includes a concise overview of the evolution of Taoist longevity practices as well as an elucidating section for readers who are unfamiliar with the teachings and practices of Taoist inner alchemy. She also includes a list of helpful hints for reading and understanding each section of the text.
