Vorab: Silberzahns "Darts - Beginning to End" ist ein sehr gutes Darts-Buch und wohl sogar das beste derzeit verfügbare (was aber dann auch nicht so schwer ist, da sowohl "The Dart Book" von Kari Kaitanen, als auch "Fun.dart.men.tals" von Frank Pratt im Buchhandel und leider auch via Online-Auktionshäuser nicht mehr verfügbar sind und es eigentlich kein gutes Standardwerk gibt, dass man ohneweiteres empfehlen könnte).

Darts is an increasingly popular game, and today there are some fifteen million regular dart players in the United States alone. Incredibly, there have been virtually no reliable, concise guides to darts that would introduce new players to its rules, conventions, equipment, and techniques - until now. The American Darts Organization Book of Darts includes

with new players emerging every day. This amazing sport demands remarkable precision and an agile mind from its competitors. Learn the rules for playing team games and tips for improving your score and ability for more advanced competitions. Author Anne Kramer focuses on the mechanics of dart throwing by discussing the pros and cons of various stances, such as toes square to the line versus one foot behind the other. This guide emphasizes good form over accuracy. If you develop good form, the accuracy will follow. Aside from mechanics this book also discusses the necessary equipment from types of darts to board materials, dimensions, and mounting. Whether you're an expert marksman who competes in a pub league or a guy who just enjoys throwing sharp objects, this is the go-to guide to a longstanding and

Eric Bristow MBE (1957-2018) might just have been the greatest darts player of all time. An unmistakable figure on the oche during his 1980s heyday, 'the Cheeky Cockney' became renowned not just for the number of world titles he won but for his arrogance on stage and off it. In this candid account, Bristow reveals how darts saved him from his early life as a cat burglar, shoplifter and thug - and introduced him to a new world of beer, babes and success beyond his wildest dreams. In his rapid rise to the top, he gives fascinating insights into the characters that pioneered darts in those early days and how, when his own career began to slide at the end of the decade, he trained his protégé Phil 'The Power' Taylor,

turning him into the most successful player darts has ever known. Bristow holds nothing back as he reveals his battle with darditis, a psychological condition which left him unable to let go of the dart and almost destroyed his career; his relationship with girlfriend and former women's world darts champion Maureen Flowers; and his occasional all-too-public falls from grace. Bristow's life story is a thrill-a-minute ride through the raucous world of darts and how it helped to shape and drive his life.
