A Globe and Mail top 100 book of 2012 . . . spellbinding yet harrowing . . . — Publishers Weekly A controversial look at the brutal backstage existence of some of the world's most celebrated ballerinas. Throughout her history, the ballerina has been perceived as the embodiment of beauty and perfection. She is the feminine ideal—unblemished and ethereal, inspiration incarnate. But the reality is another story. Beginning with the earliest ballerinas, who often led double lives as concubines, Deirdre Kelly goes on to review the troubled lives of nineteenth-century ballerinas, who lived in poverty and worked under torturous and even life-threatening conditions. In the twentieth century, George Balanchine created a contradictory ballet culture that simultaneously idealized and oppressed ballerinas; and many of his dancers suffered from anorexia and bulimia or underwent cosmetic surgery to achieve the ideal ethereal form. At the beginning of the twenty-first century, ballerinas are still underpaid, vulnerable to arbitrary discrimination and dismissal, and expected to bear pain stoically—but much of this is beginning to change. As Kelly examines the lives of some of the world's best ballerinas—Anna Pavlova, Marie Camargo, Gelsey Kirkland, Evelyn Hart, and Misty Copeland, among others—she argues for a rethinking of the world's most graceful dance form—a rethinking that would position the ballerina at its heart, where she belongs. Also available in hardcover.

A heartrending, gripping novel about two sisters in Belle Époque Paris and the young woman forever immortalized as muse for Edgar Degas' Little Dancer Aged Fourteen. 1878 Paris. Following their father's sudden death, the van Goethem sisters find their lives upended. Without his wages, and with the small amount their laundress mother earns disappearing into the absinthe bottle, eviction from their lodgings seems imminent. With few options for work, Marie is dispatched to the Paris Opéra, where for a scant seventeen francs a week, she will be trained to enter the famous ballet. Her older sister, Antoinette, finds work as an extra in a stage adaptation of Émile Zola's naturalist masterpiece L'Assommoir. Marie throws herself into dance and is soon modeling in the studio of Edgar Degas, where her image will forever be immortalized as Little Dancer Aged Fourteen. There she meets a wealthy male patron of the ballet, but might the assistance he offers come with strings attached? Meanwhile Antoinette, derided by her love for the dangerous Émile Abadie, must choose between honest labor and the more profitable avenues open to a young woman of the Parisian demi-monde. Set at a moment of profound artistic, cultural, and societal change, The Painted Girls is a tale of two remarkable sisters rendered uniquely vulnerable to the darker impulses of "civilized society." In the end, each will come to realize that her salvation, if not survival, lies with the other.

True to its name, this Los Angeles travel guide covers all the city's major sights and attractions in easy-to-use top 10 lists that help you plan the vacation that's right for you. This newly updated travel guide for LA will lead you straight to the best attractions this city has to offer, from famous Hollywood sites to the best comedy clubs, museums, and restaurants. The perfect travel companion: DK Eyewitness Travel Guide: Top 10 Los Angeles.

The analysis and sorting of large numbers of cells with a fluorescence-activated cell sorter (FACS) was first achieved some 30 years ago. Since then, this technology has been rapidly developed and is used today in many laboratories. A Springer Lab Manual Review of the First Edition: "This is a most useful volume which will be a welcome addition for personal use and also for laboratories in a wide range of disciplines. Highly recommended." CYTOBIOS

Includes list of Matisse exhibitions at MoMA, publications on Matisse issued by MoMA, donors of works by Matisse in the MoMA collection; and detailed catalog notes.

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

Based on a symposium held in 1999 during The Museum of Modern Art's retrospective, this volume presents nine critical essays offering dramatically different ways of understanding Pollock's art and influence. The essays reveal not just the richness of Pollock's work, but also the vitality and diversity of contemporary criticism. The essays were written by Robert Storr, Pepe Karmel, James Coddington and Carol Mancusi-Ungaro, Kirk Varnedoe, T. J. Clark, Jeremy Lewison, Rosalind Krauss, and Anne Wagner.

A professor of art history explores the last four decades of art history, raising important questions about authorship and materials, beginning in the era of "anything is art" and continuing through post-modern expressions of pastiche art that combine materials from many sources. (Fine Arts)
