If you're having a problem with your EGR cooler, you might notice an exhaust leak, especially white exhaust. This can indicate a coolant leak.

Detroit Diesel Series 60 Common Failures and Problems ...

Almost by definition, truckers have always been practically obsessed with engine reliability fuel mileage. To meet the demand for a new type of engine that would help usher turbo-diesels into this millennium, Detroit Diesel (a subsidiary of Chrysler AG) introduced the Series 60 as its industry trump car.
