Daniel Pennac has never forgotten what it was like to be a very unsatisfactory student, nor the day one of his teachers saved his life by assigning him the task of writing a novel. This was the moment Pennac realized that no-one has to be a failure for ever. In *School Blues*, Pennac explores the many facets of schooling: how fear makes children reject education; how children can be captivated by inventive thinking; how consumerism has altered attitudes to learning. Haunted by memories of his own turbulent time in the classroom, Pennac enacts dialogues with his teachers, his parents and his own students, and serves up much more than a bald analysis of how young people are consistently failed by a faltering system. *School Blues* is not only universally applicable, but it is unquestionably a work of literature in its own right, driven by subtlety, sensitivity and a passion for pedagogy, while embracing the realities of contemporary culture.

It ' s been a lifetime (and three seasons) in the making, but Jane Gloriana Villanueva is finally ready to make her much-anticipated literary debut! Jane the Virgin, the Golden Globe, AFI, and Peabody Award–winning The CW dramedy, has followed Jane ' s telenovela-esque life—from her accidental artificial insemination and virgin birth to the infant kidnapping and murderous games of the villainous Sin Rostro to an enthralling who-will-she-choose love triangle. With these tumultuous events as inspiration, Jane ' s breathtaking first novel adapts her story for a truly epic romance that captures the hope and the heartbreak that have made the television drama so beloved. *Snow Falling* is a sweeping historical romance set in 1902 Miami—a time of railroad tycoons, hotel booms, and exciting expansion for the Magic City. Working at the lavish Regal Sol hotel and newly engaged to Pinkerton Detective Martin Cadden, Josephine Galena Valencia has big dreams for her future. Then, a figure from her past reemerges to change her life forever: the hotel ' s dapper owner, railroad tycoon Rake Solvino. The captivating robber baron sets her heart aflame once more, leading to a champagne-fueled night together. But when their indiscretion results in an unexpected complication, Josephine struggles to decide whether her heart truly belongs with heroic Martin or dashing Rake. Meanwhile, in an effort to capture an elusive crime lord terrorizing the city, Detective Cadden scours the back alleys of the Magic City, tracking the nefarious villain to the Regal Sol and discovering a surprising connection to the Solvino family. However, just when it looks like Josephine ' s true heart ' s desire is clear, danger strikes. Will her dreams for the future dissolve like so much falling snow or might Josephine finally get the happy ever after she ' s been dreaming of for so long?

A fascinating exploration of this fundamental aspect of graphic design, *The Layout Book* explains the hows, whys and why-nots of the placing of elements on a page or screen layout. A historical overview of the subject is followed by a systematic look at key theoretical principles and practical applications. Offering a huge array of potential layout options and with over 200 color illustrations from some of

the world's leading design studios, whether you are working in print or digital media this book encompasses a variety of creative approaches. The second edition has also been updated to include interviews with practising designers, as well as new exercises to aid readers in their own explorations. Invaluable for design students looking for a better understanding of layout design, and inspiring for working designers, *The Layout Book* proves itself as a graphic design must-have.

This Arden edition of *Hamlet*, arguably Shakespeare's greatest tragedy, presents an authoritative, modernized text based on the Second Quarto text with a new introductory essay covering key productions and criticism in the decade since its first publication. A timely up-date in the 400th anniversary year of Shakespeare's death which will ensure the Arden edition continues to offer students a comprehensive and current critical account of the play, alongside the most reliable and fully-annotated text available.

Winner of the Scerbanenco Prize for the best Italian crime thriller, *The Deliverance of Evil* is a masterful psychological thriller about an edgy policeman's personal evolution--or devolution--as seen through the lens of a devilish case that consumed him early in his career and continues to haunt him twenty-four years later. With excitement over Berlusconi rise to power and Italy in a state of gleeful and frenzied anticipation over the national soccer team's improbable run to the 1982 World Cup, Italians are filled with hopeful feelings. The night before the big match, Elisa Sordi--an attractive eighteen year-old employed by the Vatican--vanishes. The case falls to a young, hedonistic post-Fascist officer named Michele Balistreri. Headstrong and ambivalent about spending his life as a policeman, Balistreri is annoyed to be interrupted during the festivities and takes the case lightly. But when Elisa's tortured corpse surfaces in the Tiber, Balistreri doubts he will ever be able to forgive himself for his inattention. After the man he arrested for the murder is exonerated, and tantalizing links to the Vatican and top right-wing politicians ignored, the case is never solved. Despondent, Michele spirals into drinking and depression. Twenty-four years later Italy is victorious once again in the World Cup, but the nation has changed. The balloon of optimism from the Eighties has deflated, and the now-gloomy nation suffers under the arrogant and corrupt Berlusconi government. A weak economy and chaotic immigration policies that have inflamed racist sentiments provide a stark contrast to the last time Italy tasted sweet soccer victory. Disturbingly, more lax divorce laws have spawned a trend of "revenge" violence against women who try to assert their independence. Suddenly Sordi's mother apparently commits suicide, and then a slew of female corpses begin to turn up all with a letter of the alphabet carved into their bodies. The apparent hate behind the murders causes Balistreri to realize that the case that has haunted for twenty-four years may be heating up again, and with a newfound sense of purpose he charges into his work: the opportunity to redeem the darkest part of his past. The murders continue, and what initially seemed to be the work of a lone psychopath reveals itself to be part of something much bigger and more dangerous. Finally Balistreri realizes that the letters marking each victim are spelling out a chilling message. From the Hardcover edition.
