influence the future? The Essential Pope Benedict XVI answers these questions through carefully chosen selections from his homilies, interviews, theological essays, and articles on the crises facing the church today. This collection lays out Benedict's thinking and relates it to a variety of contemporary issues, including modern culture's abandonment of traditional religious values, social mores regarding conception and the sanctity of life, current challenges to the priesthood, and the Catholic Church's tenuous relations with other world religions. First a brilliant peritus, or "expert advisor," to the Second Vatican Council and then archbishop of Munich, Joseph Ratzinger was appointed head of the Congregation for the Doctrine of the Faith by Pope

John Paul II in 1981. As Cardinal Ratzinger, the ex officio defender of church doctrine, he gained a reputation as a heroic guardian of the faith for conservatives and was held in suspicion by church liberals. We cannot yet know what issues and events will define the reign of Pope Benedict XVI, but by any measure he will be seen as one of the most important theological voices of our time. Condensing research concerning
questions of religion which

this book deals with three questions:
the relationship of the Mishnah to
Scripture, the relationship of the
religious ideas people hold to the

world in which they live, and the religious meaning of the formalization of language that characterizes the Mishnah in particular. In discussing how the Mishnah relates to Scripture - in the (later) mythic language of Rabbinic Judaism: "the oral Torah" to "the written Torah" - a complete analysis is presented, based on a systematic application of a single taxonomic program. Then an examination is made of how the stages in the unfolding of the Halakhah of the Mishnah relate to the principal events of the times, which delineate those stages. Here focus is given to those pre-70 C.E. components of the Halakhah that later come to the surface in the Mishnah, but discussion extends to the periods from the destruction of the Temple in 70 C.E. to

the Bar Kokhba War, concluded in ca. 135 C.E., then from the reconstruction, 135 C.E., to the closure of the Mishnah, 200 C.E. Finally attention is given to methods of interpreting the rhetorical forms of the Mishnah in the context of the social culture laid bare by the socio-linguistics of the documents concerned. and harmoniously. In this book, J. Brian Benestad provides a detailed, accessible introduction to Catholic social doctrine (CSD), the Church's teachings on the human person, the family, society, political life, charity, justice, and social justice. Church, State, and Society explains the nuanced understanding of human dignity and the common good found in the Catholic intellectual tradition. It makes the case that liberal-arts education is an essential part of the common good because it helps people understand their dignity and all that justice requires. The author shows the influence of ancient and modern political philosophy and examines St. Augustine, St. Thomas Aquinas, papal social encyclicals, Vatican Council II, and postconciliar magisterial teaching. If you believe in the transformative power of Scripture in your life, imagine what it can do for others around you! Scripture scholar Stephen Binz has spent the past 30 years working to help Catholics with the "frequent reading" of Scripture through the ancient movements of lectio divina -- listening, meditating, praying, contemplating the Word and witnessing to it. That means reading the Bible fully expecting the Holy Spirit to illuminate the passage we read. Now in Scripture-God's Handbook for Evangelizing Catholics he brings to light the power of scripture to not only renew our lives,

In 1624 Pope Urban VIII appointed Marcello Sacchetti depositary general and secret treasurer of the Apostolic Chamber, and Giulio Sacchetti bishop of Gravina. Urban later gave Marcello the lease on the alum mines of Tolfa and raised Giulio to the cardinalate. To assert their new power, the Sacchetti began commissioning works of art. Marcello discovered and promoted leading Baroque masters, such as Pietro da Cortona and Nicolas Poussin, while Giulio purchased works from previous generations. In the eighteenth century, Pope Benedict XIV bought the collection and housed it in the Capitoline Museum, where it is now a

By focusing on the relationship between the artists in service and the Sacchetti, this study expands our knowledge of the artists and the complexity of the processes of agency in the fulfillment of commissions. In so doing, it underlines how the Sacchetti used art to proclaim a certain public image and to promote Cardinal Giulio as a candidate to the papal throne.
