Five sisters and their widowed mother, a famed spiritualist, travel from New York to London, and as the Titanic conveys them and their acquaintances home, the inventions of scientist Nikola Tesla will either doom or save them all.

Suzanne Weyn brings her trademark mix of history, romance, and the supernatural to the Salem Witch Trials.Elsabeth James has powers she doesn't fully understand. She is descended from midwives, mind readers, and a fortune-teller who was put to death because she foresaw the death of Mary, Queen of Scots. She can hear people's thoughts and sometimes see what they see. She has supernatural gifts, but not evil ones. When Elsabeth sails with her sister, father, and governess to America, however, she does not foresee that their ship will be wrecked in a storm. Alone for the first time in her life, she washes up on a South Carolina plantation, where she falls in love with a boy she meets there and learns magic and healing from an unexpected source. As her powers grow, her stay is cut short, and she is sent as a servant to Salem, Massachusetts. There she accidentally allows an evil spirit to enter the village. When a group of girls start to say they're bewitched and accuse villagers of witchcraft, Elsabeth must find some way to save herself and the boy she loves.

The ultimate historical romance: one love story unfolds over many centuries and many lives in this captivating page-turner from Suzanne Weyn. From prehistory to the present, theirs was a love for the ages. It starts with a fight in a cave over an elusive green jewel . . . and then travels over time and lives to include Egyptian slaves, Greek temples, Massachusetts witch trials, Civil War battlefields, Paris on the eve of World War II, America in the 1960s . . . and a pair of modern-day teenagers. For readers who believe that love is stronger than time or death, this is an unforgettable novel from a wonderful storyteller.

When Marie-Therese, daughter of Marie Antoinette, slips into the streets of Paris at the height of the French Revolution, she finds a world much darker than what she's ever known. When Marie-Thérèse Charlotte of France learns of the powerful rebellion sweeping her country, the sheltered princess is determined to see the revolution for herself. Switching places with a chambermaid, the princess sneaks out of the safety of the royal palace and into the heart of a city in strife. Soon the princess is brushing shoulders with revolutionaries and activists. One boy in particular, Henri, befriends her and has her questioning the only life she's known. When the princess returns to the palace one night to find an angry mob storming its walls, she's forced into hiding in Paris. Henri brings her to the workshop of one Mademoiselle Grosholtz, whose wax figures seem to bring the famous back from the dead, and who looks at Marie-Thérèse as if she can see all of her secrets. There, the princess quickly discovers there's much more to the outside world - and to the mysterious woman's wax figures - than meets the eye.

A dystopic look at what happens to one American town when all the fossil fuels run out...It's the near future - the very near future - and the fossil fuels are running out. No gas. No oil. Which means no driving. No heat. Supermarkets are empty. Malls have shut down. Life has just become more local than we ever knew it could be.Nobody expected the end to come this fast. And in the small town of Spring Valley, decisions that once seemed easy are quickly becoming matters of life and death. There is hope - there has to be hope - just there are also sacrifices that need to be made, and a whole society that needs to be rethought.

Dangerous things happen to her family. There's no option but to run . . . for her life.Individuality vs. conformity.. Identity vs. access. Freedom vs. control.The bar code tattoo.

Things are going well for Taylor and her horse, Prince Albert, at Wildwood Stables, but another girl, spoiled Plum Mason, is overtraining her horse, and the girls of Wildwood try to protect the horse from her cruel mistress.

A new generation is creating a monster.... When Doctor Victor Frankenstein died, he left behind a legacy of horror...as well as two unacknowledged, beautiful twin daughters. Now these girls are seventeen, and they've come to Frankenstein's castle to claim it as their inheritance.Giselle and Ingrid are twins, but they couldn't be more different. Giselle is a glamorous social climber who plans on turning Frankenstein's castle into a center of high society. Ingrid, meanwhile, is quiet and studious, drawn to the mysterious notebooks her father left behind...and the experiments he went mad trying to perfect.As Giselle prepares for lavish parties and Ingrid finds herself falling for the sullen, wounded naval officer next door, a sinister force begins to take hold in the castle. Nobody's safe as Frankenstein's legacy leads to a twisted, macabre journey of romance and horror.

Don't touch anything in The Haunted Museum! It looks like the high point of Samantha's spring vacation is going to be a glimpse of a cute boy she sees at The Haunted Museum in England. She and her sister, Jessica, and their parents are taking a cruise on the Titanic 2, a replica of the original Titanic, and there's not even wifi! At least the Titanic exhibit at the Haunted Museum had wax figures and beautiful jewels to look at. But from their first day, Samantha and Jessica notice strange things happening. Their cabin number keeps changing. There are creepy scratching sounds coming from between the walls. And a locket that Jess opened at the museum seems to be . . . following them. Is the locket haunted? Or could it be the ship itself? Are there actors in costume walking about the ship . . . or could they be ghosts? Why is Sam's sister calling her by another name? Samantha will have to unravel the threads tying her and her sister to the past, or they could go down with the ship!

"Once upon a Time" Is Timeless The year is 1880, and Bertie, having just arrived in New York with her family, is grateful to be given work as a seamstress in the home of textile tycoon J. P. Wellington. When the Wellington family fortune is threatened, Bertie's father boasts that Bertie will save the business, that she is so skillful she can "practically spin straw into gold." Amazingly, in the course of one night, Bertie creates exquisite evening gowns -- with the help of Ray Stalls, a man from her tenement who uses an old spinning wheel to create dresses that are woven with crimson thread and look as though they are spun with real gold. Indebted to Ray, Bertie asks how she can repay him. When Ray asks for her firstborn child, Bertie agrees, never dreaming that he is serious...
