"Letters to Malcol: Chiefly on Prayer" by C. S. Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten'or yet undiscovered gems'of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A love beyond time. An adventure beyond imagination... To soothe her broken heart, culinary artist Meggie Washington leaves Manhattan behind, and journeys the mist-shrouded moors of Scotland. All she wants to do is escape her past, and give herself some time to heal. But during an afternoon hike on the nearby MacKinnon estate, she is swept up by supernatural forces she can't explain, and thrust into the distant past... Awakening in 1658 Scotland, Meggie struggles to survive in a world of bloody violence and savage passion. And after she attracts the eye of Colin MacKinnon, brother to the region's Laird, she finds herself wondering if she really wants to return to her own time after all. A powerful warrior with a warm heart, when Colin takes Meggie in his arms, she feels a fire she's never felt before. But when a blood feud with a rival clan threatens both their lives, they must ask themselves what they are willing to sacrifice in the name of love. Two lost souls, entwined by magic and destiny. If one should fall, can the other survive? ?Reader's Warning: possible triggers. Implied sexual assault, human trafficking, violence, mental abuse, and torture. Suitable for readers 17+

Liberty Street Sugar House was a tall, narrow building five stories in height, and with dismal underground dungeons. In this gloomy abode jail fever was ever present. In the hot weather of July, 1777, companies of twenty at a time would be sent out for half an hour's outing, in the court yard. Inside groups of six stood for ten minutes at a time at the windows for a breath of air.

In this provocative book, Marvin Perry and Frederick M. Schweitzer analyze the lies, misperceptions, and myths about Jews and Judaism that anti-semites have propagated throughout the centuries. Beginning with antiquity, and continuing into the present day, the authors explore the irrational fabrications that have led to numerous acts of violence and hatred against Jews. The book examines ancient and medieval myths central to the history of anti-semitism: Jews as 'Christ-killers', instruments of Satan, and ritual murderers of Christian children. It also explores the scapegoating of Jews in the modern world as conspirators bent on world domination; extortionists who manufactured the Holocaust as a hoax designed to gain reparation payments from Germany; and the leaders of the slave trade that put Africa in chains. No other book has focused its attention exclusively on a thematic discussion of historic and contemporary anti-semitic myths, covering such an expansive scope of time, and allowing for such a painstaking level of exemplification. Anti-semitism is an essential book that will serve as a corrective to bigotry, stereotype, and historical distortion.

This superb history takes us from the earliest settlement of Walton County, Florida, through its role in the wars and conflicts of the 19th century, to its development as a modern district. John Love McKinnon was a descendant of Colonel John L. McKinnon, who was one of the original founders of Walton County, being part of a trio of white men to first set foot upon the land. The colonel's expeditionary accounts are a significant source for the first part of this history, which discusses the characteristics of the land, the picturesque coastline, and its suitability for settlement. A clear appreciation for natural beauty graces this chronicle; the streams, fields, groves and woods of the land are evocatively described. At first sparsely populated, by the time of the U.S. Civil War many young men of the area were recruited for combat in the Confederacy. Though the area itself escaped skirmishing, several local residents fought in the large battles of the war, such as Chickamauga. On several occasions this history becomes biography, recounting the stories of individual lives and the legacy they left upon the community, be it in military prowess or with establishing the first schools and businesses.
